Supplemental Information

Return Reference	Explanation
Part X, Line 2	The Association is a tax-exempt organization under Internal Revenue Code 501(c)(4). The Association is subject to tax on income from any unrelated business. The Association is subject to the recognition requirements for uncertain income tax positions as required by the Financial Accounting Standards Board (FASB) Accounting Standards Codification 740-10 (formerly known as FASB Interpretation No. 48, Accounting for Uncertainty in Income Taxes). Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more-likely-than-not be sustained upon examination by taxing authorities. The Association has analyzed tax positions taken for filing with the Internal Revenue Service and state jurisdiction where it operates. The Association believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the Association's financial condition, results of operations, or cash flows. Accordingly, the Association has not recorded any reserves, or related accruals for interest and penalties for uncertain income tax positions at year-end. The Association is subject to routine audits by taxing jurisdictions, however, there are currently no audits in progress for any open tax periods.
