Form 990 (2018)

Form 990, Part III, Line 4a:

The past year SRS has made tremendous accomplishments educating students and providing them with a path toward success. SRS has enrolled over 80 students this past year. Students generally enroll into our facility due to poor behavior, drug addictions, truancy and several other issues that are impeding their ability to be successful in school or home life. We take on these students and provide means for them to become successful. We offer exceptional schooling and credit recovery programs that get students back on track towards graduation. Currently 87% of students enrolled are behind in school and looking at a GED as their only option. After students complete our program 95% of them are back on track not only educationally but socially. They see the value of an education and are motivated to finish high school and attend college. Statistically over the past years 91% of students who have graduated our program have graduated high school. This is astounding results when we look at the fact that so few were on this path to begin. We have found great pride in knowing that we are positively influencing so many youth to overcome their obstacles and be a productive citizen that they can be proud of. A common statement made by students exiting our program is b
