Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission:

Healing Justice uses restorative justice and justice reform to address the individual and collective harm caused by cases in which common justice system mistakes send an innocent people to prison while the actual perpetrator remains free. All impacted by these cases suffer trauma, loss, and grief. We employ a variety of programs to help them heal, and to reduce the trauma they suffer.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No
If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No
If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ 54,697 including grants of \$ 0) (Revenue \$ 0)

We hosted four healing retreats for individuals from across the country. We covered all costs for people to attend through direct donations from members of the public. Each retreat in 2018 ran from Friday afternoon through Sunday afternoon. Our retreats allow people directly harmed in these cases to come together in a safe, nurturing, and confidential space to speak openly about their trauma and loss, provide peer support to one another, identify how their needs can be met, and begin the road to healing and recovery. Restorative justice circles, art therapy, and other trauma-informed activities are used to create healing and recovery. We also hosted one first-ever one-day retreat just for crime victims, survivors, and families.

4b (Code:) (Expenses \$ 64,166 including grants of \$ 64,166) (Revenue \$ 0)

With funding from a federal grant, we held a listening session for crime victims and survivors and their families. We also collected documentary video of each individual's or family's story to create peer-to-peer outreach videos aimed at helping other crime victims, survivors, and families. With this grant we also conducted outreach to victim service providers and other justice professionals to better understand their experiences in the field. With this information we began creating a set of practical tools and resources for these service providers so that they can offer expanded and improved support and services to victims, survivors, and families. These activities were undertaken as part of a two-year grant project which will extend into 2019.

4c (Code:) (Expenses \$ 3698 including grants of \$ 0) (Revenue \$ 0)

Our final main programmatic area was our education, training, and technical assistance. In 2018, we conducted a variety of education, training, and/or technical assistance to victim service providers, police, prosecutors, students, lawyers, and the general public in venues around the country. The goal of these activities was to expand and improve the services and support provided to crime victims, survivors, and their families during the criminal justice process, as well as to increase public understanding of their experiences and needs.
