Form 990, Part III, Line 4a:

Sponsorships Our child sponsorship program has been at the heart of the ministry since the beginning and has been a key focus. In our sponsorship program we are focused on sharing the intimacy of Jesus Christ with the families and with the children that we sponsor. We currently have 320 children in our sponsorship program. The ages of these children are from 5 to 19 years of age. Most of our primary children attend our partner school and the high schoolers are sent throughout the country based on test scores. The sponsorship program pays for the child to board at the school having a place to sleep at night. It also includes three meals a day, tuition to go to school, and medical and school exam expenses. Some of the children attend day schools and have the ability to go home which their fees are less. The children are sent to schools with some of the best education in Kenya. Last year three of our children were in the 98th percentile of all of Kenya. Simba provides the person sponsoring a child with a packet, letters, pictures, and report cards of the children getting sponsored.

Form 990, Part III, Line 4b:

Outreach Trips This last year we were blessed to be able to send over 5 different groups to Kenya. The number of people who received scholarships in the USA to go to Kenya were 80. The groups included a medical mission trip, graduate students research, a sports team mission, teachers mission team, and our sponsorship coordinators. Each group has a unique purpose, but most groups have people in them going to go and meet their sponsor. Out of the 320 children in the program over 95 children have met their sponsor face to face.

Form 990, Part III, Line 4c:

Building Projects This last year we were able to provide an Early Childhood Development building which has three classrooms, a small dining room, an office, and a storage room. All was built to the Kenyan government standards for classrooms. The building will be a foundational platform at our partner school to help children 4-8 years of age start their education. This building will be able to help 90 children start their education. The cost for this project was 32,000. The total square footage was 1,700 square feet. This made the project a 19 a square foot project.
