Return Reference	Explanation
Part X FIN48 Footnote	<p>The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and applicable state law. Income generated by activities that would be considered unrelated to the Organizations' mission would be subject to tax, which, if incurred, would be recognized as a current expense. No such tax has been recognized as of December 31, 2018. U.S. GAAP requires management to evaluate tax positions taken by the Organization and recognize a tax liability if the Organization has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. Management evaluated the Organization's tax positions and concluded that the Organization had taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of this guidance. The Organization did not record any interest or penalties on uncertain tax positions in the accompanying statements of financial position as of December 31, 2018 or the accompanying statements of activities for the years then ended. If the Organization were to incur any income tax liability in the future, interest on any income tax liability would be reported as interest expense and penalties on any income tax liability would be reported as income taxes.</p>
