Supplemental Information

Return Reference	Explanation
PART X, LINE 2 - FIN 48 FOOTNOTE	Accounting principles generally accepted in the United States of America require management to evaluate income tax positions taken and accrue an income tax liability if the Fund has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has evaluated the income tax positions taken and concluded that as of December 31, 2018, there are no uncertain positions taken or expected to be taken that would require disclosure in the financial statements. The Fund is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. In addition, there have been no tax related interest or penalties for the periods presented in these financial statements. Should such penalties and interest be incurred, the Funds policy is to recognize them as general and administrative expenses.
