Supplemental Information

Return Reference	Explanation
Pt X, Line 2	The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue code. The Organization accounts for the effect of any uncertain tax positions based on a "more likely than not" threshold to the recognition of the tax positions being sustained based on the technical merits of the position under scrutiny by the applicable taxing authority. If a tax position or positions are deemed to result in uncertainties of those positions, the unrecognized tax benefit is estimated based on a "cumulative probability assessment" that aggregates the estimated tax liability for all uncertain tax positions. The Organization has identified its tax status as a tax-exempt entity as its only significant tax position, however, the Organization has determined that such tax position does not result in the uncertainty requiring recognition. The Organization is not currently under examination by any taxing jurisdiction. The Organization's federal returns are generally open for examination for three years following the date filed.

Return Reference	Explanation
Pt I Line 2	Monies are never provided to the individual but, instead, to the provider at the time of service. We keep receipts on file for every expenditure. Gift cards for emergency clothing are the only variance from that and we do request and receive the majority of receipts from gift card expenditures. We request success stories and follow up, from the staff and advocates that receive assistance, on a quarterly basis (approximately), based on the funder we need to report to. Since we make the purchase directly and maintain receipts, we have full internal control on the procedure. Additionally, we have a committee that reviews requests outside of our normal scope and the treasurer reviews expenses and request forms monthly after the external bookkeeper does accounting.
