Name: COMMUNITY FOUNDATION OF THE FLORIDA KEYS

Form 990 (2018)

Form 990, Part III, Line 4a:

The organization is focused on making Key West and the Florida Keys a better place to live now and in the future by encouraging philanthropy and matching these acts of caring to the community needs. It works with individuals to develop philanthropic plans to improve the quality of life in the Florida Keys. The organization also supports nonprofit organizations by helping them build endowment and operating reserve funds. Additionally the organization works to strengthen the nonprofit sector and civic engagement in the Florida Keys through the Center for Nonprofit Excellence. During 2018, 6 new donor funds were established. During 2018 189 gifts were recorded and 206 grants were made. The majority of grants were recommendations by donor advisors and not-for-profit organizations.

Form 990, Part III, Line 4b:

The Center for Nonprofit Excellence provides a wide range of resources and services that strengthen and support leadership and management of nonprofit organizations located in the Florida Keys. The Leadership Success Academy provides specific leadership and governance skills building to nonprofit board members. During 2018 there were 23 participants from 17 organizations. This marks the 12th consecutive year for the Leadership Success Academy that has trained over 400 members of the Florida Keys community to be more effective board leaders. To recognize volunteer efforts, the organization for the last 19 years has conducted an Unsung Heroes / Volunteer of the Year luncheon to recognize the accomplishments of individuals serving nonprofit organizations. During 2018, there were 295 attendees representing 73 nonprofit organizations throughout Monroe County. In addition, the program offers a work space and conference room for nonprofit organizations without charge.

Form 990, Part III, Line 4c:

The third program is to identify and address unmet needs in the community and work with other community organizations and individuals to meet those needs. Hurricane Irma struck the Florida Keys on September 10, 2017. Again in 2018, assisting with relief and recovery efforts was an important priority for the organization. The organization received 76 gifts for \$734,243 that were restricted to emergency recovery and relief, then awarded 39 grants for \$390,402. Grants were awarded based on application by not-for-profit and faith based organizations which were reviewed, ranked and awarded by volunteers located in different areas of Monroe County. No fees were deducted from hurricane disaster initiative donations, so that 100% could be granted for relief and recovery efforts.

990 Schedule A, Supplemental Information

Return Reference	Explanation
Schedule A, Part I, Line 1	During 2014 and 2015 the organization received partial distributions of a bequest from an estate. The amounts received were \$2,027,271 in 2014 and \$539,826 in 2015. The donor was never a foundation manager or a disqualified person with respect to the organization. The donation was cash that was not restricted. The organization has substantial donations besides this bequest and anticipated future donations to support operations. The organization has consistently met the one-third public support test. No person related to the deceased has the ability to substantially influence the operations of the organization. The organization has a board of governors who are community leaders representing a cross section of the Florida Keys. In the tax periods prior to 2014, the organization has not treated any gift as an "Unusual Grant" in order to meet the one-third public support test. Because this donation would substantially lower the historical public support ratio, it has been excluded as an "Unusual grant."

Schedule D, Part IV, Line 2b	The organization accepts donations and arranges for investment management services for not-for-profit organizations under terms of fund agreements or memorandum of understanding. The board of governors has variance power over distribution of donations made to funds that name as beneficiary the not-for-profit organization. The variance power will be exercised in the event that restrictions under the agency fund agreement becomes, in effect, unnecessary, incapable of fulfillment, or inconsistent with the charitable needs of the community or area served. The organization also acts as fiscal agent to Monroe County Long Term Recovery Group (LTRG). The organization accepts donations on behalf of LTRG and distributes funds according to requests from the LTRG executive committee. Because the organization reports all donations received, investment earnings, grants made and other costs of these agency funds in the appropriate schedules on Form 990, there is a reconciling item for the change in net assets related to the change in the liability of funds held as agent.

Schedule D, Part X, Line 2	CFFK is tax exempt under Section 501(c)(3) of the Internal Revenue Code and has been determined not to be a private foundation under Section 509(a)(1) of the Code. However, subject to certain exceptions, gross income, if any, from an activity not substantially related to the performance of the organization's exempt function that constitutes a trade or business regularly carried on by the organization will be subject to the unrelated business income tax. Management believes that it has appropriate support for any tax positions taken and as such does not have an uncertain tax position that would be material to the financial statements. CFFK's tax returns are subject to routine audits by taxing jurisdictions, however, currently there are no such audits in progress. Tax returns for years before 2015 are no longer subject to examination. Management has evaluated the need for a reserve for income tax liability and determined that no reserve is required at December 31, 2018 or 2017.

Return Reference	Explanation
Schedule I, Part I, Line 2	Generally grants from donor advised funds are unrestricted for specific programs and general operating support. Grants made based on a competitive application process require end of grant reports to detail how funds were used, number of people benefited and similar data. Scholarship grants are monitored by requiring students to provide proof of enrollment and disbursing funds directly to the college or university for the benefit of the student's account. Emergency Assistance grants were determined after receiving applications from not-for-profit and faith based organizations. Applications were reviewed by ad-hoc grant committees which were composed of community leaders from the area of the Florida Keys to receive the grant funds. The ad-hoc grant committee recommendations were considered by the board grant committee and awarded based on the committee's assessment of need. End of grant reports were requested for these Emergency Assistance grants to detail how funds were used and demographics of those who benefited.
