Part III, Line 1 - Mission Continuation of Mission	The Young Men's Christian Association of the Greater Houston Area is a Christian fellowship dedicated to improving the quality of life through programs and services which promote healthy living, youth development and social responsibility throughout the community. It is the mission of the YMCA of Greater Houston to put Judeo-Christian principles into practice through programs that build a healthy spirit, mind and body for all. The YMCA will partially implement this mission through teaching five core values in all of its programs: Respect, Responsibility, Caring, Honesty and Faith. The YMCA seeks to promote our mission and core values by focusing on youth development, healthy living and social responsibility. We believe that lasting personal and social change can only come about when we all work together to invest in our children, our health and our neighbors. Our goal is to ensure everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive. We are an association of men, women and children joined together by a shared commitment to nurture the potential of children, promote healthy living and foster a sense of social responsibility. Our dedication to these goals is only realized through the philanthropic giving of Houstonians, partnerships and community leaders. These gifts have enabled YMCA staff and volunteers to further the YMCA's vision of building healthy, confident, connected and secure children, adults, families and communities.

YMCA Youth Development programs result in more young people taking a greater interest in learning and making smarter life choices. At the Y, children and teens learn values and positive behaviors, and can explore their unique talents and interests, helping them realize their potential. This makes for confident children today and contributing and engaged adults tomorrow. YMCA Youth Development Programs include: 1) YMCA Child Care - The central focus of all YMCA Child Care programs is to foster growth and development not only in children but also in their parents and families. These educational programs help kids develop moral and ethical behavior, self-esteem and leadership. Parents play an important role in policy and program decisions. In many instances, Y Child Care allows parents of the children in our programs to remain gainfully employed, knowing that their children are thriving in a safe, supportive environment. For parents who cannot afford the full fee, waiver or reduction of tuition is available. YMCA Child Care nurtures the development of children by providing a safe place to learn foundational skills, develop healthy, trusting relationships and build self-reliance through the Y values of caring, faith, honesty, respect and responsibility. - After School Child Care - Once children reach school age, multiple influences enter their lives. YMCA After School ensures that the time after school is occupied creatively and constructively. YMCA After School programs are offered in partnership with 20 area school districts and various other organizations, offering care after school in over 200 locations. - Early Childhood - The YMCA believes that a quality program should provide enriching experiences which facilitate a child's cognitive, social, physical and emotional growth. We strive to meet the developmental needs and temperament of each individual child by working in partnership with families. YMCA Early Childhood Development programs, licensed by the State of Texas, provide curriculum focused on education, leadership and character development. - Infant Care - YMCA Infant Care centers are designed to meet a child's individual needs by ensuring positive attention and development. Because this is a critical time in a child's life, our infant care focuses on the development of the whole child and equips even infants with essential skills for life-long learning. Because well-trained staff is a key factor in quality infant care, staff members are required to attend numerous training sessions throughout the year. - Middle School Enrichment - The YMCA helps young people make wise and healthy choices through programs that give youth opportunities to gain leadership skills, values and

Under the guidance of caring adults, pre-teens learn fair play, positive communication and develop a spirit of cooperation - all skills that are needed to succeed. 2) YMCA Parent/Child - Serving families has always been at the heart of the Y. We are a place where they can find respite from social, economic and educational challenges, and learn how to overcome them. We have a fundamental desire to provide opportunities for every family to build stronger bonds, achieve greater work/life balance, and become more engaged with their communities. YMCA family programs include Family Camp, Healthy Family Home and other family events which provide children and their parents with activities that foster understanding and companionship. Activities are planned to bring groups of families together to support each other. Parents have the opportunity to learn from each other and from their children in an enjoyable way. 3) YMCA Swim, Sports & Play - The Y is the starting point for many youth to learn about being active, and developing healthy habits they'll carry with them throughout their lives. The benefits are far greater than just physical health. Whether it's gaining the confidence that comes from learning to swim or building the positive relationships that lead to good sportsmanship and teamwork, participating in programs at the Y is about building the whole child, from the inside out. Aquatics The YMCA offers a wide range of swimming options for the whole family. Swimming builds self-confidence and develops the whole person - spirit, mind and body. Classes are divided into ability groups and trained instructors emphasize personal safety, swimming skills, endurance and social skills while guiding students with praise and encouragement. YMCA Safety Around Water is a multifaceted awareness program designed to educate the community about how to prevent drowning. This includes a website with water safety tips as well as information on how you can get your child enrolled in swim lesson programs. The initiative also offers school district programs, a bureau of speakers that provides water safety presentations to the community in English and Spanish, swimming lessons at elementary and middle schools and water safety classes taught at local apartment complexes. Youth Sports The YMCA believes that youth sports programs encourage and promote healthy and strong children, families and communities by placing a priority on family involvement, healthy competition and the value of participation over winning. Team building as well as individual development, a positive self-image and a sense of fair play and mutual respect for others are hallmarks of YMCA Sports programs. Caring adult coaches and volunteers create an asset-rich environment in which children learn and practice the core values of responsibility, honesty, respect, faith and caring. Parents are encouraged to be more than mere spectators by contributing their time as volunteer coaches and teachers.
