PART X, LINE 2 - FIN 48 FOOTNOTE	Accounting principles generally accepted in the United States of America require that management of the Foundation evaluate tax positions taken and recognize a tax liability if it is more likely than not that the tax position taken will not be sustained upon examination by the Internal Revenue Service. Management has analyzed the Foundation's tax positions, and has concluded that as of December 31, 2018, there are no uncertain positions taken or expected to be taken that would require recognition in the financial statements. The Foundation is subject to routine audits by taxing jurisdictions, however, there are currently no audits in progress for any tax periods. In addition, there have been no tax related interest or penalties for the period presented in these financial statements. Management believes the Foundation is no longer subject to income tax examinations for years prior to 2015.
