Part III, Line 1 Our mission is to be a change agent in the transformation of poor and low income communities from a perceived place of poverty, low skills, and despair to a place of prosperity, abundant skills, and hope. The Dollars For Your Thoughts program engaged 92 Sunflower County middle and high school students in a 5 weekly training session for 5 hours per week and in dialogue and conversation about their present circumstances and their outlook for the future. These dialogues included discussions about health, nutrition, education, race, social interactions, and healthy relationships. The conversations entailed demonstrating how our thoughts and feelings about our circumstances and how our outlook on life determines what our future will look like. The training classes also help students to align their unique strengths, talents, gifts, and greatest passions with a clear vision for their future. The intention of this project is to inspire youth to take purposeful action in the present so that they can create a life of great fulfillment for the future. One of our goals is for the students completing the program to have a positive impact on their peers and on the Mississippi Delta. We also engaged 40 adult students and parents in a 10 weekly program to teach them some of the same topics that we teach the students. We also teach them mindfulness, parenting skills, and steps to achieve success for both themselves and their children. This year we provided nutritious food from the food pantry to approximately 400 families per month. We provided field trips to expose the students to life outside the Mississippi Delta.

Part VI Question 11b A committee of the organization's board members reviewed the 990 at a special called meeting on May 9, 2019.

Part VI Question 19 We have not made our governing documents, conflict of interest policy, and financial statements available to the general public. They are available upon request.
