Explanation: During 2019, there was a major transition in Executive staff of the organization and a significant staff shortage in the Finance Department. We were without a CFO for the majority of 2019 and without a full time CEO since May 2018 we only had two staff in the Finance Department. We also went through an Executive Director transition where we only had an interim Executive Director for six months. The new Executive Director only came on in the last eight weeks of 2019, just a couple of weeks before the filing deadline for 2018, and the books and records had to be reconstructed for the entirety of 2018. There was no intention to be late, and we are working diligently to ensure that we will be able to timing file all returns in the future.
