## Part I Summary

**1** Briefly describe the organization's mission or most significant activities:  
 The562 Network is a new, community funded and supported news organization serving the city of Long Beach, California. We incorporated in the State of California on February 6, 2018 as a Nonprofit Public Benefit Corporation. By developing a sustainable, nonprofit news agency for the Long Beach community, we believe we can begin to reverse the degradation of local journalism in our city. Our founding journalists have many years experience in producing a high-quality news product, the community support, the relationship with the schools, colleges and universities in the area, and the team around them to create a successful public service for our city. The products we create for the community appear on our website, www.The562.org for free, without charge and without "pay-walls" to block readers and viewers. Donations are solicited to support the financial cost of our work.
