Part VI, Line 11b - There were four steps we followed We looked at the previous years returns to see what was done. Second we read the instructions provided in the 990 form Third consulted with a former IRS agent when we came across key parts we did not understand Lastly, we dissmenated the return to the board members

Part VI, Line 19 - Items are available upon request

Late Return - The reason for the late return for this year is because of the lack of infrastructure within the organization We had exodus I take full responsibility for this Going forward we do have a better team in place and access to professional help to ensure this does not happen again In the year of 2018 in particular we had to reconcile handwritten bookkeeping and reconcile it with the digital record, transferring the handwritten to digital Thus transition from a manual documentation process to a digital one that everyone could follow and understand This was an arduous task The requisite talent to accomplish this task in a timely manner and maintain operations did not exist for us at the time We have since remedied this issue by putting in place a stronger set of operations and team of talent, so future tardiness will not take place
