Program Service Accomplishments

1. Our major accomplishment in 2018 is to advance the practice of building healthy and resilient communities. We have done that through our partnerships with Kufunda Learning Village in Zimbabwe and the Thriving Resilient Communities Collaboratory (TRCC) as well as our own AfterNow work to help communities prepare for the possible before and after disaster.

Additionally, we completed a new initiative called Stories into Action to help people launch their own local community resilience projects

2. Additionally, we continue to advance and share our understanding of how stories help to shift mindsets and consciousness. This is represented in our work to completely revamp our previous work on Great Transition Stories as well as our multi-media storytelling work with the Story Dome.

3. Other accomplishments include consulting with a number of different nonprofits and government agencies on leadership and community development, and providing fiscal sponsorship to different projects working in this same field of leadership and community development, notably Dreamweaver Productions, Gaiafield Meditations, Imagine Convergence, and Prison Hospice Project
