Part X FIN48 Footnote	Note 14 - Accounting for Uncertain Tax PositionsThe Council recognizes the tax benefit from uncertain tax positions only if it is more likely than not that the tax position will be sustained upon examination by the taxing authorities, based on the technical merits of the position. The tax benefit is measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. The Council's income tax returns are subject to possible examination by the taxing authorities until the expiration of the related statutes of limitations. The Council would recognize interest and penalties related to income tax matters in operating expenses. Management has concluded that there were no uncertain tax positions as of December 31, 2018. The Council is subject to income tax examinations by tax authorities for the years ended December 31, 2015 and later.
