Part X FIN48 Footnote	United Way is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. Exemptions from the State of Oregon corporation excise tax are provided by Oregon Revised Statutes 317.080. In any year in which United Way has gross receipts from unrelated business activities of \$1,000 or more, it must file Form 990-T with the Internal Revenue Service and pay tax on such income, less any related deductions. There was no such income in the year ended December 31, 2018. United Way follows US GAAP related to the recognition of uncertain tax positions. These standards provide detailed guidance for financial statement recognition, measurement, and disclosure of uncertain tax positions. These standards require an entity to recognize the financial statement impact of a tax position when it is more likely than not that the position would not be sustained if examined by a taxing authority. Management has determined that United Way had no uncertain tax positions as of December 31, 2018. United Way files informational and income tax returns in the United States, state and local jurisdictions.

Return Reference	Explanation
Grantmaker's Description of How Grants are Used	The grant process is open year round, with the caveat of available funding. Grants are accepted online and presented to the board of directors with a summary of available funds. United Way requires funded organizations to submit two reports during the funding period, one at 6-months after the award date and a final report at the year anniversary. The reports ask the organization to provide narrative and detail describing how grant monies were used, how the funding impacted the communities served, outputs created, number of partners involved in the project(s), what outcomes were achieved, how sustainability was created to maintain the project(s) ongoing and the number and demographic of clients served. The Resource Development Director and COO review the reports submitted by the grantees. If a grantee is underperforming, a remediation plan is created. The directors review and provide recommendations to the board when grantees fail to fulfill grant outcomes or fail to complete required reports. In addition, funded partners are required to provide financial reports and documents as part of their year-end report.
