Part X FIN48 Footnote	<p>Income Taxes Financial statement presentation follows the recommendations of ASC 740, Income Taxes. Under ASC 740, Global Healing is required to report information regarding its exposure to various tax positions taken by Global Healing and requires a two-step process that separates recognition from measurement. The first step is determining whether a tax position has met the recognition threshold, the second step is measuring a tax position that meets the recognition threshold. Management believes that it has adequately evaluated its current tax positions and has concluded that as of December 31, 2018, Global Healing does not have any uncertain tax positions for which a reserve or an accrual for a tax liability would be necessary. Global Healing has received notification from the Internal Revenue Service and the State of California that it qualifies for tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and Section 23701d of the California Revenue and Taxation Code. The exemptions are subject to periodic review by the federal and state taxing authorities and management is confident that Global Healing continues to satisfy all federal and state statutes in order to qualify for continued tax exemption status. Global Healing may periodically receive unrelated business income (such as sublease rental income) requiring Global Healing to file separate tax returns under federal and state statutes. Under such conditions, Global Healing calculates, accrues and remits the applicable taxes.</p>

Return Reference	Explanation
Part I, Line 2 - Grantmakers Explanation For Monitoring Use of Funds Outside US	Once grants are approved, recipient organization must sign letter of agreement stating the terms of grant and reporting schedule. A budget is prepared in advance of all international work. Local organizations working in the designated foreign countries provide ongoing reports regarding progress of work. Financial and Narrative Reports are required at least once at the end of the project period. Expenditures are made against budget amounts and analyzed continuously by US-based management. Discussions, e-mails, and other techniques of communication are employed to ensure that funds are utilized according to the original intent. Accomplishments are documented in writing and submitted to the head office in Berkeley.
