IRS Advance Approval of Scholarship Program

In November 2017, the Foundation requested from the IRS advance approval of its scholarship procedures. The Foundation received approval in April 2019

The purpose of the scholarship program is to award scholarships to graduating high school seniors who have shown the passion to succeed despite facing economic challenges. Because many of these students receive insufficient funds to cover basic tuition and fees for the school, the Foundation makes grants to cover some or all of the "gap" between the student's costs and the school's financial aid, such as basic supplies, transportation, travel, and living expenses

DC Scholarship Program

The purpose of the scholarship program is to award scholarships to graduating high school seniors who have shown the passion to succeed despite facing economic challenges. Because many of these students receive insufficient funds to cover basic tuition and fees for the school, the Foundation makes grants to cover some or all of the "gap" between the student's costs and the school's financial aid, such as basic supplies, transportation, travel, and living expenses

In 2018, the scholarship program helped three students with their college expenses, providing support totaling \$14,703. The Foundation strictly follows its scholarship granting procedures as outlined in its IRS advance approval letter, including the use of a grant selection committee, student GPA and reporting requirements, and monitoring use of funds, among other things.
