Expenses for postage and printing of invitations, program printing, and other costs are not part of the FMV of the ticket price so become expenses not offset by revenue on line 8c. If you include the contributions received for the event on line 1c, the contributions (sponsorships, ticket prices in excess of FMV of the value received, etc ), FMV of tickets, and other revenue totaled \$116,454. The total revenue less expenses resulted in an actual net income from the event of \$72,243. Contributions must be separated from FMV of ticket costs per instructions.

Other	<p>Pt III - Stmt of Program Accomplishments NARAL Pro-Choice Missouri (NARAL MO) has a thriving base of supporters, activists, and community partners. On a grassroots level, the organization gained thousands of new activists. We held visibility events on multiple occasions to heighten public awareness about a special legislative session affecting access to reproductive healthcare. We knew potential anti-choice laws might pass, and we alerted our grassroots activists and supplied them with messaging points. The organization also provided briefing papers to the public about pending legislation. NARAL MO also has a strong internship program. Drawing from diverse college campuses, NARAL MO had summer and fall interns who worked on communications and grassroots organizing. They are interested in politics, marketing, graphic design, social media, web design, communications, and grassroots activism. Working with staff, they managed a very impressive social network presence and educated Missourians about women's health and potential political threats. Staff, interns, and thousands of volunteers across the state organized against dozens of threats to reproductive rights and health in the legislative session in Missouri. The organization helped to organize media campaigns and wrote op-ed pieces and editorials in support of every individual's right to decide if, when, how, and with whom to start or grow their family. The organization also provided briefing papers to the lawmakers, community leaders, and the public. Over the past ten years, the organization has advocated about matters regarding contraceptive access, rape survivors' access to emergency contraception in emergency rooms, access to Title X family planning services, the efficacy of crisis pregnancy centers and the materials they choose to use, the landscape of sex education in Missouri, and a host of other topics related to reproductive rights. This past year was not different, featuring educational forums and grassroots activities, in cooperation with our allies. The organization is committed to being an anti-racist organization supporting and lifting up the voices of all those most disproportionately impacted by all efforts to restrict access to abortion. With some 20 organizational allies, all working for the health and safety of Missouri women and families, we sought to protect individual rights and the rights of families, worked with faith-community allies, and organized against threats posed by the legislature, policymakers, and in the community generally.</p>
