Other	Pt III - Statement of Program Accomplishments - NARAL Pro-Choice Missouri Foundation has a thriving internship program. Drawing from diverse campuses, the organization had summer and fall interns who worked on grassroots organizing and communications. Working with staff, they managed a very impressive social network presence and educated Missourians about women's health and potential political threats. On a grassroots level, the organization knocked on 9,790 doors, had 3,381 conversations, made 23,554 phone calls, and gained 7,739 new activists. For over 30 years, the organization has trained patient escorts at two local clinics providing abortion care. The signature clinic escort program filled 104 shifts with volunteers acting as physical barriers to protesters at clinics that provide women's health care, including abortion care. Staff, interns, and volunteers held visibility events to heighten public awareness about a special legislative session affecting access to reproductive health care. The organization also provided educational briefing papers to the public about pending legislation. Over the past ten years, the organization has done comprehensive research about contraceptive access, rape survivors' access to emergency contraception in emergency rooms, access to Title X family planning services, the efficacy of crisis pregnancy centers, the landscape of sex education in Missouri, and a host of other topics related to reproductive rights. The organization is committed to being an anti-racist organization supporting and lifting up the voices of those most disproportionately impacted by the dangerous abortion ban that passed in Missouri in 2019. With some 20 organizational allies, all working for the health and safety of Missouri women and families, we sought to protect individual rights and the rights of families, worked with faith-community allies, and organized against threats posed by the legislature, policymakers, and in the community generally.
