Name: St Johnsbury Academy

Supplemental Information

Return Reference	Explanation
Part V, Line 4	The Academy manages its endowment funds, including donor restricted and board designated endowments, in accordance with the laws of the state of Vermont, specifically the Uniform Prudent Management of Institutional Funds Act. Accordingly, the Academy has adopted investment and spending policies for endowment assets that are reviewed annually and attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. The Academy has a policy of appropriating for distribution each year an annual draw from its endowment fund. Each year the investment committee reviews the present circumstances and future plans for the Academy, and recommends a drawing figure based on both near and longer term considerations. The spending rate calculation weights inflation at 70% and current endowment value at 30%. The policy will allow the spending rate to rise following periods of low returns and fall following periods of high returns, but maintain close to a 4.5% spending rate over time. This is consistent with the Academy's objective of maintaining the purchasing power of the endowment assets held in perpetuity or for a specified term, as well as providing additional real growth through new gifts and investment return. The spending is to be used first in accordance with donor restrictions, if any, and then for operations, support of capital expenditures investments, scholarships to students, or other board-designated purposes.

Supplemental Information

Return Reference	Explanation
Part X, Line 2	The Academy accounts for the effect of any uncertain tax positions based on a "more likely than not" threshold to the recognition of the tax positions being sustained based on the technical merits of the position under scrutiny by the applicable taxing authority. If a tax position or positions are deemed to result in uncertainties of those positions, the unrecognized tax benefit is estimated based on a "cumulative probability assessment" that aggregates the estimated tax liability for all uncertain tax positions. The Academy has identified its tax status as a tax-exempt entity and its determination of which activities are related and unrelated as its only significant tax positions, however, the Academy has determined that such tax positions do not result in an uncertainty requiring recognition. The Academy is not currently under examination by any taxing jurisdictions. The Academy's federal and state tax returns are generally open for examination for three years following the date filed.
