Return Reference	Explanation
Part X, Line 2	The Company and its affiliates have been determined to be tax-exempt organizations as described in Section 501(c)(3) of the Internal Revenue Code (the Code) and, accordingly, are exempt from federal income taxes on related income pursuant to Section 501(a) of the Code. Accordingly, no provision for income taxes has been recorded in the accompanying consolidated financial statements for these tax-exempt organizations. The Captive is a limited liability company (LLC) under the Federal Income Tax Code and as a LLC passes its income or loss for federal and state tax purposes to its members. Tax-exempt organizations could be required to record an obligation for income taxes as the result of a tax position they have historically taken on various tax exposure items including unrelated business income or tax status. Under guidance issued by the Financial Accounting Standards Board, assets and liabilities are established for uncertain tax positions taken or positions expected to be taken in income tax returns when such positions are judged to not meet the "more-likely-than-not" threshold, based upon the technical merits of the position. Estimated interest and penalties, if applicable, related to uncertain tax positions are included as a component of income tax expense. The Company has evaluated the tax positions taken on its filed tax returns. The Company has concluded no uncertain income tax positions exist as of June 30, 2019.

Employees must disclose in writing to their supervisors any conflicts of interest prior to engaging in transactions or taking positions with MaineGeneral Health. Form 990, Part VI, Section B, line 15	The Board of Directors is responsible for determining the compensation package for the Chief Executive Officer. An independent compensation consultant advises the Board using comparability data, expert compensation studies and other means. Paid executives who hold voting privileges may not vote or participate in discussions regarding their compensation, however, they may answer questions that will help the Board in its deliberations. The Chief Executive Officer's compensation was last reviewed August 2018. For other officers and key employee positions, salary structures are developed and maintained based on compensation data for healthcare organizations provided by an independent compensation consultant. This data is reviewed by the CEO to determine salaries that are consistent with non-profit healthcare organizations of a similar size, mission and complexity to our organization. The salary determinations made by the CEO are submitted to and approved by the Board of Directors.
