Return Reference	Explanation
Schedule D, Part X, Line 2	The School of Law accounts for the effect of any uncertain tax positions based on a "more likely than not" threshold to the recognition of the tax positions being sustained based on the technical merits of the position under scrutiny by the applicable taxing authority. If a tax position or positions are deemed to result in uncertainties of those positions, the unrecognized tax benefit is estimated based on a "cumulative probability assessment" that aggregates the estimated tax liability for all uncertain tax positions. The School of Law has identified its tax status as a tax exempt entity as its only significant tax position, however, the School of Law has determined that such tax position does not result in an uncertainty requiring recognition. The School of Law is not currently under examination by any taxing jurisdictions. The School of Law's federal tax return is generally open for examination for three years following the date filed.
