Form 990 (2018)

Form 990, Part III, Line 4a:

Access to Medicine Americares is working to improve health outcomes for patients and communities by increasing access to quality medicines and supplies for local health providers and the people and communities they serve. A strong and expanding network of over 200 pharmaceutical and medical supply corporations donate these medicines, medical supplies, personal care products, medical equipment and technology. We distribute these donations to our global partner network through two initiatives. The Global Access to Medicine Program, which distributes high-quality medicines directly to a network of partners in 26 countries. Partners are selected for their capacity to securely and effectively process and utilize Americares medical and supply donations. Americares also supports volunteer medical teams as they provide primary care, perform surgeries, respond to health emergencies and strengthen local health care capacity in communities where basic medical care is often non-existent or inaccessible. Last year these teams provided care in 82 countries. The U.S. Program, which is a network of 1,006 safety net health care providers throughout the continental U.S. and Puerto Rico.
