Income Tax	The Council has received an exemption from the Internal Revenue Service(IRS) from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Council is required to make the appropriate tax payments on any income considered unrelated to its exempt purpose. Management of the Council evaluates all significant tax positions required by accounting principles generally accepted in the United States of America. At June 30, 2019 and 2018, management stated it does not have any tax position that would require the recording of any additional tax liability nor does it have any unrealized tax benefits that would either increase or decrease within the next twelve months. The Council's income tax returns are subject to examination by the appropriate taxing jurisdictions. As of June 30, 2019 and 2018, the Council's federal and state tax returns generally remain open for examination for 3 years after June 30, 2016.
