Return Reference	Explanation
Part X : FIN48 Footnote	The Organization is exempted from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and from state income taxes. In addition, the Organization is not classified as a private foundation. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. Management has analyzed the tax positions taken and has concluded that as of June 30, 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress. The Organization has not incurred any unrelated business income. The organization is not longer subject to income tax examination by federal, state, or local tax authorities for year before 2015.
