SUMMARY OF DIRECT CHARITABLE ACTIVITIES

FYE: 6/30/2019

The activities listed below were undertaken in the course of carrying out the stated mission of The Willem de Kooning Foundation.

For fiscal year 2018 – 2019:

A wide range of researchers, including university students, professors and museum curators, consulted the Foundation's archives, study materials, art collection and staff specialists toward dissertations, forthcoming monographs, exhibitions and educational materials. Foundation specialists actively provided research findings and guidance to organizations and authors toward their publications and exhibitions on Willem de Kooning. The Foundation continued its in-house research on Willem de Kooning's writings, sculpture and overall oeuvre, toward the eventual publications of resources to aid future scholarship on de Kooning and 20th Century Art. The Foundation continued to re-house, process, digitize and add to its archives, completed the re-housing of unframed drawings and lithographs, and continued its conservation survey toward the further care and preservation of its art collection.

11 works were on long-term loan this fiscal year to institutions and municipalities including Grand Rapids Art Museum, Johns Hopkins University, LongHouse Reserve, Stanford University Law School and Business School, Pinakothek der Modern, Munich, and the City of Rotterdam. Works were also on loan to exhibitions in London and Spain.

The Foundation instituted a series of talks, *de Kooning Conversations*, beginning with a program at Johns Hopkins University in connection with the Foundation's loan of a monumental sculpture.

The Foundation continued to provide guidance and expertise to the University of Arizona Museum of Art and the Getty Conservation Institute in support of the conservation of the university's painting by Willem de Kooning, *Woman Ochre*, 1954-55.

The Foundation welcomed 3 interns to learn and work alongside staff members. In addition, it provided scholarly insights and research materials toward development of curriculum as part of its collaboration established in 2008 with the Long Island Children's Museum, Garden City, NY.
