Return Reference	Explanation
Part X, Line 2	The Agency's federal exempt returns for 2016-2018 are subject to examination by the IRS, generally for three years after they were filed. The Agency's state informational returns for 2015-2018 are subject to examination up to four years after they were filed. The statute of limitations does not apply to unfilled returns. The Agency believes that all required returns have been filed. The Agency's policy is to classify income tax related interest and penalties, if incurred, in interest expense and miscellaneous expense, respectively. Accounting principles generally accepted in the United States of America require that a liability be recorded for uncertain tax positions taken, if it is determined that the tax positions taken would more-likely-than-not be denied upon examination by taxing authorities. Management of the Agency has analyzed the tax positions taken in its filings with the Federal Government and State of New Jersey, and concluded that no tax positions have been taken that would not be sustained upon examination. Accordingly, the Agency has not recorded any reserves, or related accruals for interest and penalties for uncertain tax positions at June 30, 2019 and 2018.

Form 990, Part III, Line 4a, Program Service Accomplishments	Addictions Training and Workforce Development (ATWD) Project This workforce development project provides the required 270 hours of education needed for individuals who are interested in becoming licensed or certified alcohol and drug counselors. The full curriculum of courses is provided at eight sites throughout the state, free of charge to participants. Advanced training is also provided for CADC and LCADC professionals. Scholarships for free classes for those interested in becoming a Certified Prevention Specialist (CPS) are also offered through NJPN and other approved providers throughout the state. Peer Recovery Support Services Workforce Development Overview This workforce development project provides the required peer recovery support trainings to all NJ Peer Workers working within DMHAS peer recovery support service initiatives. These initiatives take place in various community settings such as hospitals, prison systems, law enforcement, recovery centers, formal treatment settings, prevention agencies, child protection and child welfare agencies, educational settings, and community and behavioral health centers. NJPN is an approved education provider for the National Association for Alcoholism and Drug Abuse Counselor (NAADAC), the Association for Addiction Professionals and the Addiction Professionals Certification Board. Therefore, the peer recovery support trainings which NJPN provide are approved foundation courses that can be applied towards peer credentials such as the Certified Peer Recovery Specialist (CPRS) and the National Certified Peer Recovery Support Specialist (NCPSS). Training and Technical Assistance for the State's 17 Regional Substance Abuse Prevention Coalitions The New Jersey Division of Mental Health and Addiction Services created a network of Regional Coalitions to address the state's substance abuse prevention priorities. NJPN was selected to provide technical assistance and support to the 17 Regional Coalitions regarding implementing the Strategic Prevention Framework including needs assessment, capacity building, planning, and implementation. Guided by national research as well as our own experiences, NJPN facilitates, participates in and provides technical assistance and support to the 17 coalitions. NJPN works with each regional coalition to successfully assess data, determine consumption patterns and consequences, prioritize needs, and develop a comprehensive strategic plan and logic model specific to their region and based upon relevant topics as guided by the four state-identified priorities. Through trainings, webinars and one-on-one technical assistance, NJPN is supporting the effective implementation of environmental strategies that will make population-level change within New Jersey. Evaluation Support for the Regional Coalitions NJPN has been contracted by Rutgers to assist them in providing evaluation support to the 17 Regional Coalitions. The Evaluation Team has created consistent data collection

As this project moves forward, a comprehensive evaluation plan will be developed and implemented to measure the successes of the Regional Coalition Project. Military Personnel and their Families: NJPN coordinates this statewide project through a network of local prevention partners that provide prevention programs to military personnel and their families. Military personnel and their families are facing many challenges that can significantly impact their lives. Often, these challenges trigger stressors that can lead to family dysfunction, substance abuse, and other negative outcomes. NJPN developed two evidence-based programs to help support our New Jersey military community. These programs build on the strengths of these inspiring individuals and families and provide an opportunity to focus on family and life balance through parental and youth skill building, improved family communication and healthy coping skills to reduce stress. Military Family Nights and Achieving Personal Balance offer a prevention intervention that can strengthen our military community. NJ Drug Free Communities (Impact NJ): In September 2014, the IMPACT NJ Coalition received a Drug-free Communities grant from the Office of National Drug Control Policy (ONDCP). It is one of only two statewide grants of this kind in the country. The IMPACT NJ Coalition focuses on reducing alcohol and marijuana use among youth 18 and under throughout the State of New Jersey. Building from current and previous coalitions coordinated by NJPN, IMPACT NJ brings together state and local leaders who are dedicated to sharing their expertise and time as we work collaboratively to achieve our goals. The mission of the IMPACT NJ Coalition is to reduce substance use and abuse among our youth through strong collaboration with key stakeholders, building capacity among members based on best practices, implementing evidence-based environmental strategies, and advocating for positive community changes. Be The One Mobile Application: The Rutgers School of Social Work asked NJPN to collaborate with them to create a mobile app to support the efforts of the Regional Substance Abuse Prevention Coalitions. The result of this collaboration is Be The One, designed to invite users to share their view and take action. Be The One empowers people throughout New Jersey to make a difference in their County, by capturing and reporting the good and bad that impacts communities as it relates to substance abuse and youth. The app is a tool to post photos displaying a view of the community which will help local prevention coalitions focused on creating healthier communities in the county. It encourages everyone to "Be The One" to make a difference. The app also connects users to resources and tools to help themselves, a friend, or

Form 990, Part III, Line 4a	Annual Addiction Conference NJPN's 19th Annual Addiction Conference was held this year and brought over 1,500 professionals together for the state's premier event focused on substance abuse prevention, early intervention, treatment and recovery support. The Conference facilitates the dialog between leaders at the local, county and state level in order to better serve New Jersey's communities. Our focus is on educating the state's front-line professionals about critical issues surrounding substance abuse and providing a unique forum for networking, collaboration and workforce development. Educational sessions taught by national and state experts provide attendees with the latest research and information pertinent to their respective fields. This venue provides an opportunity for the addiction community to come together to learn more about their specific area of focus, as well as other topics and issues that will help to create a stronger continuum of care in New Jersey. NJ Highway Traffic Safety A special educational track was created for NJPN's Annual Addiction Conference that was funded through the Division of Highway Traffic Safety Department. This track targeted preventionists and offered a power session and two workshops that made the connection between drug and alcohol use by youth and the high risk of drinking and drugged driving. WISE Wellness Initiative for Senior Education The WISE Program is a wellness and prevention program targeting older adults, which is designed to help them celebrate healthy aging, make healthy lifestyle choices and avoid substance misuse. It provides valuable educational services to older adults on topics including medication misuse and management, stress management, depression, and substance misuse. Created by NJPN and implemented locally by prevention agencies across the country, WISE promotes health through education concerning high-risk behaviors in older adults. The curriculum is listed on SAMHSA's National Registry of Evidence-based Programs and Practices (NREPP) and the Administration for Community Living's Aging and Disability Evidence-Based Programs and Practices (ADEPP). NJPN provides Facilitator Trainings in New Jersey and across the country to prepare professionals to implement this evidence based curriculum and we have trained hundreds of facilitators that are currently implementing this program in over 10 states.
