Return Reference	Explanation
Other	<p>The Community's Foundation is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. Income unrelated to the Foundation's exempt purpose would be subject to federal and state income taxes. In addition, the Foundation qualifies for the charitable contribution deduction under Section 1 and 170(b)(1)(A), and has been classified as an organization that is not a private foundation under Section 509(a)(2). Accounting principles generally accepted in the United States of America ("U.S. GAAP") require management to evaluate tax positions taken and recognize a tax liability (or asset) if the Foundation has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. Management has analyzed the tax positions taken and has concluded that as of June 30, 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Foundation is subject to routine audits by taxing jurisdictions; however there are currently no audits for any tax periods in progress. Management does not believe there are any unrelated business income for the years ended June 30, 2019 and 2018.</p>
