Supplemental Information

Return Reference	Explanation
Part V, Line 4	The intended use of the Organization's Endowment Funds is for University of North Georgia faculty salary support, research funding, fine arts events and student scholarships

Supplemental Information

Return Reference	Explanation
Part X, Line 2	The Foundation qualifies as a tax-exempt organization as described in Internal Revenue Code Section 501(c)(3) and has been classified by the Internal Revenue Service as a publicly supported organization and not as a private foundation. However, income from certain activities not directly related to the Foundation's tax-exempt purpose is subject to taxation as unrelated business income. The Foundation follows the statutory requirements for its income tax accounting and generally avoids risks associated with potentially problematic tax positions that may be challenged upon examination. Management believes any liability resulting from taxing authorities imposing additional income taxes from activities deemed to be unrelated to the Foundation's tax-exempt status would not have a material effect on the Foundation's financial statements.
