**Part IV** **Supplemental Information.** Provide the information required in Part I, line 2; Part III, column (b); and any other additional information.

Share Inc. provides financial assistance on behalf of local residents who are temporary financial difficulty. Payments are made directly to landlords, utility companies, medical service providers, and occasionally schools or automobile repair facilities. Payments are never made directly to clients. The great majority of payments are \$100 or less. For any payment in excess of \$1,000, which are rare, 2 members of the Executive Committee must approve the payment. The financial assistance program is given an annual budget which is approved by Share's general membership. Prospective clients are vetted by Financial Assistance program volunteers, with the help of professional social workers employed by Fairfax County.

Once a client is approved, a check request is made to the Share Treasurer, who sends the requested check. All client information, check requests, and notes are maintained in a Salesforce database that is accessed by all Share volunteers involved in the Financial Assistance program. Financial information for payments made to clients are maintained in both the Salesforce database and in a Quicken database used by the Treasurer. Every month the two databases are reconciled to ensure that the correct payments have been made.

The budget is reviewed annually to ensure that total program payments are in accordance with the budget.
