Form 990 (2018)

Form 990, Part III, Line 4a:

School-Based Mental Health ProgramsBeech Brook provides mental health support and services to children in elementary schools throughout the Cleveland Municipal School District and in several suburban districts. Working hand-in-hand with children, teachers, administrators, and families, Beech Brook helps children overcome the mental health problems that are getting in the way of their success. This program offers both individual and family counseling, support groups, medication somatic services, parent support and education, and linkage with community resources.

Form 990, Part III, Line 4b:

Therapeutic Foster CareBeech Brook's Therapeutic Foster Care is a community-based, mental health foster care program built upon a strength-based, skills-building treatment model. Therapeutic Foster Care admits children/teens who have recently stepped down from or who are at risk of stepping into a higher level of care, e.g., residential treatment or hospitalization. Frequently these children have a history of major problems in their physical health, school adjustment, peer and adult relationships, and emotional stability. Beech Brook also provides specialized and traditional foster care for children and teens whose mental health needs are less severe.

Form 990, Part III, Line 4c:

REACH ProgramBeech Brook's REACH program teaches emotionally or behaviorally troubled children and their families important skills to improve their functioning in all settings, including the home, school, and community. Skills can include social skills, improved communication, problem-solving, appropriate decision making, and parental techniques. The program, which is often provided in conjunction with School-Based Mental Health Services, also provides linkages to other programs and services.

Supplemental Information

Return Reference	Explanation
Part V, Line 4	The dual purpose of the endowment is to generate a permanent, steady stream of income with the goal of supporting the overall mission of the agency, while at the same time, to grow the principal in order to provide additional operating support for the changing future needs of the agency. Given that there is no distinction to be made between "principal," "earnings," "income," "interest, and "appreciation," it is recognized that the endowment supports the operating needs of the agency from total investment return, which encompasses both income and capital appreciation. Allocations made by the endowment for the general support of agency operations will be guided and determined by agency spending policy.

Supplemental Information

Return Reference	Explanation
Part X, Line 2	The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Financial Accounting Standards Board (FASB) provides guidance for how uncertain income tax positions should be recognized, measured, disclosed and presented in the financial statements. This requires the evaluation of tax positions taken or expected to be taken in the course of preparing the Organization's tax returns to determine whether the tax positions are more-likely-than-not of being sustained when challenged or when examined by the applicable tax authority. Tax positions not deemed to meet the more-likely-than-not threshold would be recorded as a tax benefit or expense and liability in the current year. For the year ended June 30, 2019, management has determined there are no uncertain tax positions.
