Organization's Liability for Uncertain Tax Positions Under ASC 740-10	Schedule D, Part X, Line 2 The organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. Thus, no provision for income taxes is included in the accompanying financial statements. The organization is subject to federal and state income taxes to the extent it has unrelated business income. In accordance with the guidance for uncertainty in income taxes, management has evaluated their material tax positions and determined that there are no income tax effects with respect to its financial statements. The organization recognizes any interest and penalties related to income taxes. There were no interest or penalties related to income taxes that have been accrued or recognized as of and for the years ended June 30, 2019 and 2018. The Organization recognizes the financial statement benefit of a tax position only after determining the relevant tax authority would more likely than not sustain the position following an audit. For tax positions meeting the more likely than not threshold, the amount recognized in the financial statements is the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement with the relevant tax authority. The organization applied the uncertain tax position guidance to all tax positions for which the statute of limitations remained open and determined there were no material unrecognized tax benefits as of that date. The organization does not believe there is any uncertainty with respect to its tax position which would result in a material change to the financial statements.
