Name: Foundation for Springfield Public Schools

Supplemental Information

Return Reference	Explanation
Part IV, Line 2b Explanation of escrow account liability	The Foundation receives and holds money from various advertising rights agreements between Springfield Public Schools and local area businesses. Local businesses agreed to give money to Springfield Public Schools to help renovate existing sports facilities around the city in turn for advertising on facility grounds over a period of several years. The Foundation holds and invests the money for Springfield Public Schools until they request it, typically at the time their debt payment becomes due related to refurbishing the sports facilities.

Part V, Line 4 Intended uses of the endowment fund	Endowment funds are invested at Community Foundation of the Ozarks and Central Trust Company with the purpose of long-term growth to provide for scholarships to students of Springfield Public Schools and also to provide for future grants for various needs of the Springfield Public School district

Supplemental Information

Return Reference	Explanation
Part X FIN48 Footnote	The Foundation adopted the provisions of FASB Interpretation No. 48, effective January 1, 2009. Under the interpretation, the Foundation would record a liability for uncertain tax positions when it is probable that a tax position would not be upheld under examination and the amount can be reasonably estimated. The Foundation, with advice from their CPA as needed, continually evaluates expiring statutes of limitations, changes in tax law, and new authoritative rulings in determining if there are unreasonable tax positions subject to the provisions of FASB Interpretation No. 48 when preparing their annual 990. At June 30, 2019, the Foundation has determined that there were no unreasonable tax positions whereby a liability would need to be recorded.

Return Reference	Explanation
Grantmaker's Description of How Grants are Used	Teachers complete standard grant applications which must be approved by the principal. In the case of high impact grants that fund more than one school, each school's principal must approve the application. The grants go before an allocations committee made up of foundation board members and volunteers. Grants are sorted by grant category and are then ranked and funded by the position they are ranked. The board approves all final grants. Teachers have final grant report forms which must demonstrate the outcomes and show how the funds were spent. Any deviation of funds spent must first be approved by the Foundation. In some cases, there are site visits from the Foundation. Scholarships are also reviewed and awarded by the scholarship committee which includes two representatives from the district.
