All VICC grantees are K-12 public school districts in the State of Missouri. VICC requires each school district to submit an annual financial report documenting the number of students served, the cost of educational services provided, and the amount of tuition payments (grants) made to the district by VICC. These reports are reviewed and independently verified by VICC staff by comparing student counts to VICC's own independent student records and by comparing financial amounts to the revenues and expenses separately reported by the districts to the State of Missouri, Department of Elementary and Secondary Education.
