Form and Line Reference	Explanation
Part III, Line 2	Bad debt expense is reported net of discounts and contractual allowances. A payment on an account previously written off reduces bad debt expense in the current year. Bad debt expense on line 2 is reported at charges as presented on the financial statements.
Part III, Line 3	The methodology used to determine eligibility for financial assistance takes into consideration income, net assets, family size and resources available to pay for care. In addition, presumptive charity care may be applied in situations where all other avenues have been exhausted.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part III, Line 4	The footnote to the Organization's financial statements that describes bad debt expenses is located in Footnote 1 on page 11 of the attached audited financial statements
Part III, Line 8	Medicare allowable costs of care are based on the Medicare Cost Report. The Medicare Cost Report is completed based on the rules and regulations set forth by Centers for Medicare and Medicaid Services. Avera Queen of Peace follows the CHA guidelines in reporting community benefits and therefore any Medicare shortfall (as calculated including our non-cost report entities) is excluded from our community benefit report. However, Medicare is the Organization's largest payer and patients with Medicare coverage are accepted regardless of whether or not a surplus or deficit is realized from providing the services. This basis therefore means providing Medicare services promotes access to healthcare services which is a key advantage for our community.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part III, Line 9b	If the patient qualifies for the organization's financial assistance policy for low-income, uninsured patients and is cooperating with the organization with regard to efforts to settle an outstanding bill within current self-pay collection policy guidelines and timeframes, the organization or its agent shall not send, nor intimate that it will send, the unpaid bill to any outside collection agency. Avera organizations will allow all individuals 120 days from the first post discharge statement to apply for financial assistance before sending the uncollected account to an outside collection agency. Avera will provide the patient with a statement or final notice that contains a listing of the specific collection action(s) it intends to initiate, and a deadline after which they may be initiated no earlier than 30 days before action is initiated. If the patient qualifies for 100% charity care, no further bills will be sent. A letter will be sent instead indicating that the patient's bill has been completely forgiven.
Part VI, Line 2	Health care needs are assessed through various methods. Given Mitchell is a regional center/hub and the sixth largest city in South Dakota, Avera Queen of Peace is integrally involved with community organizations, universities/colleges, schools, state programs and local governments. The next largest hospital offering the same level of services is 72 miles from Mitchell and most of the towns within our region have a population of less than 2,000. By working with all in our region, we are able to determine health needs and provide programs and solutions where possible. In addition to activities reported in the Community Health Needs Assessment, Avera Queen of Peace, Avera Wescota and Avera De Smet collaborate with a community health committees within their respective community to assess and promote health related matters.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part VI, Line 3	A summary of the financial assistance policy is posted in the Hospital facility's emergency rooms, waiting rooms, and admissions office and is included in the billing statement. In addition, the financial assistance policy is discussed with the patient upon admission to the facility.
Part VI, Line 4	Avera Queen of Peace's service area includes Davison County and surrounding counties in South Dakota. In 2018, the population for Davison County was estimated to be 19,790. Approximately 18.8% of the population is age 65 or older. The average per capita income is \$29,342 and approximately 12.0% of individuals are below the federal poverty level. The nearest like hospital in the area is approximately 72 miles from Avera Queen of Peace.
