990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part III, Line 8	<p>Medicare allowable costs of care are based on the Medicare cost report. The Medicare Cost Report is completed based on the rules and regulations set forth by Centers for Medicare and Medicaid Services. Avera Gettysburg follows the CHA guidelines in reporting community benefits and therefore any Medicare shortfall is excluded from our community benefit report. However, Medicare is the organization's largest payer and patients with Medicare coverage are accepted regardless of whether or not a surplus or deficit is realized from providing the services. This basis therefore means providing Medicare services promotes access to healthcare services which is a key advantage for our community.</p>
Part III, Line 9b	<p>If the patient qualifies for the organization's financial assistance policy for low-income, uninsured patients and is cooperating with the organization with regard to efforts to settle an outstanding bill within current self-pay collection policy guidelines and timeframes, the organization or its agent shall not send, nor intimate that it will send, the unpaid bill to any outside collection agency. Avera organizations will allow all individuals 120 days from the first post discharge statement to apply for financial assistance before sending the uncollected account to an outside collection agency. Avera will provide the patient with a statement or final notice that contains a listing of the specific collection action(s) it intends to initiate, and a deadline after which they may be initiated no earlier than 30 days before action is initiated. If the patient qualifies for 100% charity care, no further bills will be sent. A letter will be sent instead indicating that the patient's bill has been completely forgiven.</p>
