Part X

It will be noted that the amounts listed in Part X, Column A, for "beginning of Year", do not match the numbers reported on our 2017 Return in Part X, Column B for "end of year". This is because there were errors in our previous records of assets and liabilities at the end of the 2017 tax year. We hired an independent financial consultant to check our previous records and correct any errors. The amounts listed in the Part X, Column A, for 2018 therefore reflect the changes made following errors corrected by that consultant. It is assumed that, going forward all banking records will be correct and up to date. We can be reached for any questions or clarification regarding this issue.

Part VI, Section B. #15

Compensation for all officers is determined through a careful process. For the top management official (President), compensation is reviewed and approved by the other members of the Board (i.e. the President is not present for or privy to the conversation). Comparability data was used to determine a range for the compensation, and the Board voted on the final amount, with consideration given to Clover's relatively small budget and the need to keep the compensation affordable. For other officers, the compensation is determined using comparability data, and all Board members vote on the amount except the officer for whom compensation is being determined. All voting is kept confidential. Compensation for the President was last adjusted in September 2019, and compensation for all other officers was last set in February 2016.

Part VI, Section B. #12C

Clover requires that all officers and directors sign an annual conflict of interest disclosure form. The Secretary collects these forms every January and maintains them in a secure file, with access by the President and Vice President. Determination of whether conflicts of interest exist are made at Board meetings, and restrictions on activities related to conflicts are imposed by the Board.
