Name: GOUCHER COLLEGE

Form 990 (2018)

Form 990, Part III, Line 4a:

The College provided an Undergraduate Arts and Sciences education to 1,525 students. Goucher's academic philosophy is focused on 3Rs: relationships, resilience, and reflection, and coursework reflects the core values of a liberal arts education: proficiency in English composition and in a foreign language, solid foundations in history, abstract reasoning, scientific discovery and experimentation, problem-solving, social structures, and environmental sustainability. A highlight of Goucher's unique liberal arts curriculum is the requirement that all undergraduates must study abroad at least once before graduation, making the College the first in the nation to make such a bold move in globalized education. Goucher strives to educate the whole student and promotes a broad education over narrow career training. This gives graduates a wide range of professional options and increased ability to take advantage of new opportunities in developing fields-and even the capability to change careers. Goucher students master a range of knowledge, including the communication, critical thinking, and quantitative reasoning skills that U.S. employers overwhelmingly say they want job candidates to have.

Form 990, Part III, Line 4b:

The College provided a graduate education to 742 students. The Welch Center for Graduate and Professional Studies offers a diverse range of academic programs, including: Master of Arts and Master of Fine Arts degrees in areas such as education, teaching, historic preservation, arts administration, cultural sustainability, digital arts, nonfiction, management, and environmental sustainability, plus a post-baccalaureate premedical program. These programs are led by industry leaders who help students strengthen their skills, add to their knowledge base, and create professional opportunities wherever their passions lead.

Form 990, Part III, Line 4c:

The College provided credit and non-credit continuing studies course work for 783 participants. Goucher's Educators' Institute provides teachers and administrators innovative training on several new techniques that address issues for a diverse range of learners. Goucher is home to the College Board's Advanced Placement (AP) Summer Institute, training teachers in AP courses from across the country and around the world. The Advanced Placement Summer Institute allows teachers to earn graduate credit while gaining College Board-certified preparation in most subject areas offered through AP programs.

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Section B, Line 12c	Every trustee, officer and key employee is provided a copy of the Conflict of Interest Policy each spring and required to complete an annual disclosure form reporting any known material financial or other interest of the trustee, officer or key employee or a family member in any transaction or business relationship the College has or is considering, including material financial or other interests in any outside entity involved in such transaction or relationship. General Counsel of the College reviews the disclosure forms and reports any disclosures to the Audit Committee of the Board of Trustees. Committee members then determine what, if any, action should be taken as to each disclosure and these actions are implemented by the General Counsel. The policy directs the committee to review and update the list of the key employees, and the policy itself is reviewed on a regular basis and revised as necessary.

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Section B, Line 15	Each year the College President distributes to the Board of Trustees the President's Goals and Objectives ("Goals and Objectives") for the upcoming year, as well as provides periodic updates on current year goals. Each spring Goucher receives data from the College and University Professional Association (CUPA) on compensation at comparable institutions, including Goucher's peer group, other local colleges, and prospective overlap institutions. The Vice President for Human Resources Director prepares this information for review by the College President and by the Compensation Committee of the Board. In addition, each spring the Chair of the Board asks Board members to supply the Board Chair and the Chair of the Compensation Committee with any comments a Board member may have on the President's performance with respect to the Goals and Objectives. After reviewing all of these materials, the Compensation Committee meets with the President to review the President's compensation recommendations for senior staff and evaluate the President's performance. The Compensation Committee's role with respect to compensation for senior staff is to determine whether any recommendation from the President includes excess benefits. The Compensation Committee then reviews with the President the President's performance with respect to the President's Goals and Objectives, and then meets in executive session to determine its recommendation for the President's compensation. This recommendation is then considered by the Executive Committee of the Board of Trustees and final action is taken. Meeting minutes are maintained to document each Committee's review and action. The Compensation Committee Chair provides the General Counsel of the College with a confidential report of the deliberations of the Compensation Committee and the Executive Committee and of the Executive Committee's action. This report includes the CUPA comparability data on which the final determinations were based. A copy of this report is maintained in a confidential file kept by the General Counsel to memorialize the review.
