Return Reference	Explanation
Footnote for uncertain tax position under FIN 48 (Part X)	The most significant tax position of the Foundation is its assertion that it is exempt from income taxes. Other significant tax positions include its determination of whether any amounts are subject to unrelated business income tax (UBIT). Management has determined the Foundation had no activities subject to UBIT in the fiscal year ended. The Foundations policy would be to recognize interest and penalties on tax positions related to its unrecognized tax benefits in income tax expense in the financial statements. Through fiscal year ended, there have been no matters that would have resulted in an accrual for interest and/or penalties.
