ASU 2016-14 requires significant changes to the financial reporting model of organizations who follow the not-for-profit reporting model. The changes include reducing the classes of net assets from three classes to two net assets without restrictions and net assets with restrictions. The ASU will also require changes in the way certain information is aggregated and reported by the Foundation, including required disclosures about liquidity and availability of resources and increased disclosures on functional expenses. The new standard is effective for the Foundations year ended June 30, 2019 and thereafter and must be applied on a retrospective basis. The Foundation adopted the ASU effective July 1, 2018.
