Part X FIN48 Footnote	<p>The Organization has received a determination letter from the Internal Revenue Service (IRS) indicating it is a tax-exempt organization under Section 501(c) (3) of the Internal Revenue Code and is subject to federal income tax only on net unrelated business income. Management has determined that the Organization has no current obligations for unrelated business income tax. Accordingly, no provisions for federal and state income taxes are required.</p> <p>Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Organization and recognize a tax liability (or asset) if the Organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management has analyzed the tax position taken by the Organization, and has concluded that as of June 30, 2019 and 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Organization is subject to routine audits by taxing jurisdiction, however, there are currently no audits for any tax periods in progress. Management believes it is no longer subject to income tax examinations for tax years prior to 2016.</p>

The CIP evaluates the funding proposals in relationship to local priorities and potential for creating lasting change with available funds for program distribution. The CIP's funding recommendation is acted upon and approved by UWYC's Board of Directors based on each year's projected campaign and revenue results. Agencies receive Allocation/Grant Investment Award notification letters and Memorandum of Agreement (MOA). As stated in the MOA, agencies must submit annual and semi-annual outcome reports to maintain accountability and transparency to receive additional funds.
