Form and Line Reference	Explanation
<p>Schedule H, Part VI, Line 6 AFFILIATED HEALTH CARE SYSTEM - Part 1</p>	<p>Saint Thomas Hickman hospital, established in 1964, is a 25-bed hospital in Centerville, Tennessee. its services include emergency care, inpatient care, primary care clinic, and local home health program. Saint Thomas Hickman is the first hospital in Tennessee to qualify as a critical access hospital. The hospital is part of Saint Thomas Health System and Ascension Health. Saint Thomas Health (STH) is Middle Tennessee's faith-based, not-for-profit health care system united as one healing community. Saint Thomas Health is focused on transforming the healthcare experience and helping people live healthier lives, with special attention to the poor and vulnerable. The regional health system included, in FY19, nine (9) hospitals: Saint Thomas Hospital for Specialty Surgery, Saint Thomas Midtown Hospital and Saint Thomas West Hospital in Nashville, Saint Thomas Rutherford Hospital in Murfreesboro, Saint Thomas Hickman Hospital in Centerville, Saint Thomas Stones River Hospital in Woodbury, Saint Thomas DeKalb Hospital in Smithville, Saint Thomas Highlands Hospital in Sparta, and Saint Thomas River Park Hospital in McMinnville. A comprehensive network of affiliated joint ventures, medical practices, clinics and rehabilitation facilities complement the hospital services. These ministries work together to care for patients, joined by common systems and a philosophy of serving as a healing presence with special concern for our neighbors especially those who are vulnerable. This community benefit happens through its focus on patient care, education, and research. The organizations work together to serve their communities at the local, regional, state, and national level. Saint Thomas Health is a member of Ascension, a Catholic organization that is the largest not-for-profit health system in the United States. ASCENSION HEALTH ALLIANCE, D/B/A ASCENSION (ASCENSION), IS A MISSOURI NONPROFIT CORPORATION FORMED ON SEPTEMBER 13, 2011. ASCENSION IS THE SOLE CORPORATE MEMBER AND PARENT ORGANIZATION OF ASCENSION HEALTH, A CATHOLIC NATIONAL HEALTH SYSTEM CONSISTING PRIMARILY OF NONPROFIT CORPORATIONS THAT OWN AND OPERATE LOCAL HEALTHCARE FACILITIES, OR HEALTH MINISTRIES, LOCATED IN MORE THAN 20 OF THE UNITED STATES AND THE DISTRICT OF COLUMBIA. ASCENSION IS SPONSORED BY ASCENSION SPONSOR, A PUBLIC JURIDIC PERSON. THE PARTICIPATING ORGANIZATIONS/ENTITIES OF ASCENSION SPONSOR ARE THE DAUGHTERS OF CHARITY OF ST. VINCENT DE PAUL, ST. LOUISE PROVINCE; THE CONGREGATION OF ST. JOSEPH; THE CONGREGATION OF THE SISTERS OF ST. JOSEPH OF CARONDELET; THE CONGREGATION OF ALEXIAN BROTHERS OF THE IMMACULATE CONCEPTION PROVINCE, INC. - AMERICAN PROVINCE; AND THE SISTERS OF THE SORROWFUL MOTHER OF THE THIRD ORDER OF ST. FRANCIS OF ASSISI - US/CARIBBEAN PROVINCE. Saint Thomas Health is committed to providing care to the communities it serves with attention to the poor and vulnerable. STH's mission provides a strong foundation and guidance for its work as a caring ministry of healing, including its commitment to community service and to provide access to quality healthcare for all. The STH mission, vision and values are the key factors influencing their approach and commitment to addressing community health needs through their community benefit activity. Ascension's socially just wage and benefits policy, established in 2001, applies to all of Ascension, including subsidiary entities and contractual third-party vendor relationships. Saint Thomas Health and Ascension are committed to providing a livable wage to all associates. Minimum wage within Ascension was raised to \$11/ hour during FY15. Catholic Social Teaching recognizes that everyone has a fundamental right to share in the fruits of her or his labor and to have basic needs met, including access to healthcare. An essential component of the socially just wage policy is the employer subsidization of the cost of healthcare insurance for lower-paid associates. This employer's subsidy, combined with the minimum hourly wage rate, provides affected associates with a decent standard of living and affordable access to healthcare. (community health need: access to care and wellness) Saint Thomas Health supports a variety of efforts and continues to work in collaboration with other community agencies to address the health and well-being of our community, especially the poor and vulnerable, including restricted cash donations to outside organizations, in-kind donation of employee time/services to outside organizations and representation on community/non-profit boards and committees which work to improve the health and quality of life of the communities we serve. As a system, STH supports a variety of efforts specifically aimed at providing services for persons who are poor and vulnerable, and at improving the health of the community. For example, in fiscal year 2019: Continuing medical education: STH offers a variety of online accredited continuing medical education courses. Additionally, in-person seminars</p>

Form and Line Reference	Explanation
<p>Schedule H, Part VI, Line 6 AFFILIATED HEALTH CARE SYSTEM - Part 1</p>	<p>rs on various health topics are offered. The courses are open to all physicians and health professionals. During fy19, 9 educational courses/seminars were offered with total attendance of 535. (community health need: health education and access to care) Graduate Medical Education: STH and its affiliates serves as training sites for university of Tennessee, Meharry Medical College and Vanderbilt University medical residents. In fiscal year 2019, 121 medical and dental residents received graduate medical education training at a Saint Thomas health site. (community health need: health education and access to care) Medical Missions at Home: Saint Thomas health organized three medical mission events, one in Davidson county, one in Warren county, and one in Rutherford county, each held within a low-income community. Volunteers from all Saint Thomas health entities participated, and community volunteer providers offered health screenings, referrals, consultations, dental care, eye exams, glasses, health education, lab/pharmacy services, and a health ministry presence to persons who otherwise have limited access to health care. In FY19, these events served 1,394 community members resulting in 205 scheduled follow-up appointments. (community health need: access to care)</p>

Form and Line Reference	Explanation
Schedule H, Part VI, Line 5 Promotion of community health - PART 1	<p>Saint Thomas Health's governing body is comprised of persons representing diverse aspects and interests of the community. Many members of the Saint Thomas Health governing body reside in the organization's primary service area; who are neither employees nor independent contractors of the organization, nor family members thereof. Medical Staff: the organization extends medical staff privileges to all qualified physicians in its community for some or all its departments or specialties. Patient Care: Operates an emergency room open to all persons, regardless of ability to pay. the hospital participates in Medicaid, Medicare, TennCare, Champus, Tricare, and other government-sponsored health care programs. Financial assistance is offered, both full and partial adjustments, to those who cannot afford to pay (both insured and uninsured). Saint Thomas Foundation: The Saint Thomas Health Foundation's primary aim is to support building access to care for underserved and to aid needy patients once they leave our care. In fiscal year 2019 the Foundation granted \$81,090 from our two largest needy patient funds (Irene & Melvin Lewis Needy Patient Fund and the Watson Benevolent Fund) to support discharged patients who needed extra care to heal. We supported such things as grocery cards, electricity bills, pharmaceutical costs and more. In addition to these funds, over \$15,000 was spent for gas cards, short term stays in the Seton Inn and other pharmaceutical needs from smaller auxiliary funds for cancer, NICU and transplant patients. Furthermore, one of the most active funds in the foundation is the Community Health Outreach Fund which expended over \$252,000 in FY19 to support the needs of patients treated at our family health centers and clinics which help an underserved segment of our community population. The Foundation also administers a fund available to all employees of Saint Thomas Health who are experiencing hardship. This Fund, the Sister Juliana Beuerlein Employee Financial Assistance Fund, offered system-wide almost \$78,000 in assistance in FY19. <p>Schedule H, Part VI, Line 6 AFFILIATED HEALTH CARE SYSTEM - PART 2</p>	<p>Saint Thomas Medical Partners Family Health Centers: the mission of the Saint Thomas medical partners' network of family health clinics is to serve the community by providing health care to all ages regardless of insurance status or financial resources. all clinics are staffed by licensed medical professionals. for those who do not have insurance, a presumptive charity program is used to determine if the patient is eligible for our charity program for that day of service. if the patient is not eligible, clinic fees are discounted 46% with additional discounts given for paying day of service. for those who qualify for financial assistance, patient balances are adjusted. in addition, private insurance, Medicare and TennCare are accepted. Saint Thomas health operates 8 primary care safety-net clinics (the newest one opened in FY19), with one specifically focused on women's health care. the sites provided 84,761 patient encounters for 28,173 patients in fiscal year 2019. the clinics are committed to providing high-quality primary care to the uninsured and underinsured, and they serve the Davidson, Hickman, Rutherford and Warren county communities. These clinics serve as a medical home for many patients; acute medical care is provided typically on the same day, and patients with chronic illnesses are seen routinely. the clinics offer a broad range of health care. for patients struggling with mental health issues, a psychiatric nurse practitioner and licensed social worker are available at certain clinics; chlamydia services are also an available support at certain clinics. The clinics utilize the services of the dispensary of hope to provide convenient access to free and reduced-cost medications. Social workers and trained nurses also help patients request free medications through the patient assistance program referral services. the clinics work to ensure access to specialty services by linking patients to other resources within the community. The Holy Family South clinic, West clinic, and Saint Louise Clinic also offer additional services: each clinic has a nutritionist available to help patients with better food choices and initiate weight loss if needed, and each has a pharmacist on site to assist with medication management and medication education within their patient population. Additionally, the South Clinic offers Clinica Nueva Vida - a comprehensive prenatal care program for uninsured, low income Hispanic women in greater Nashville, combined with medical monitoring. the Saint Louise clinic offers a pharmacotherapy program with strong focus on congestive heart failure. Our mission in motion: the mobile mammography outreach program is designed to increase access to high quality screening mammography for all women, with special attention to the poor and vulnerable in Middle Tennessee. The program provides screening mammograms in collaboration with local employers, communities, and safety net clinics, reducing the barrier of transportation and inability to afford time away from work. Screening mammograms are available to the uninsured. When indicated, Our Mission in Motion works with women to connect them to follow up care. It is the goal of the program to improve the compliance rates for screening mammography by making services accessible and affordable, thus decreasing the late stage detection of breast cancer for women in Middle Tennessee. Women delay their annual mammograms for numerous reasons, with the most common including lack of insurance, financial barriers, and the inability to take time off work to receive one. In fiscal year 2019, 3,132 screenings were performed at 203 stops. 388 women received mammography screening for the first time, and 1,117 women were screened who had not had a mammogram in over two years. (community Health need: access to care) Advocacy for Health: Saint Thomas Health is a founding member and active member of the middle Tennessee consortium of safety net providers, which works to provide quality, affordable medical homes for the uninsured and specialty care services on a sliding scale based on household income. Saint Thomas health foundation serves as the legal and fiduciary agent to the consortium. the board of directors that governs the consortium is comprised of health care providers and local business leaders who serve the low-income and uninsured. Saint Thomas Health is committed to ensuring 100% access to care for everyone, with special attention to those who live in poverty and struggle the most; saint Thomas health actively advocates for healthcare access and coverage for all persons through grassroots outreach and ongoing educational meetings with elected officials. Saint Thomas Health's advocacy work communicates CHNA findings and works with federal, state, and local officials to create and shape public policy to meet the needs identified by the community. Saint Thomas Health provides sponsorship of community events as well as presentations to increase awareness</p>

Schedule H, Part V, Section B Hospital Websites	<p>During the course of the tax year and/or prior to the filing of the return for the taxable year, the filing organization, which is part of a larger health system, transitioned from a separately hosted website (or websites), to being a part of the health system's centrally hosted hospital website. This transition was intended to facilitate public access to information, including enabling the health system to better manage and monitor compliance requirements that IRC Section 501(r) information be made widely available to the public. During and as a result of the migration of hospital facility information to the new central website, it is possible that there may have been brief instances of web access interruption. If so, the filing organization believes that any such interruptions would have been minor and inadvertent, and due to reasonable cause, and that any such instances would have been immediately addressed when identified. The filing organization and health system have established procedures in place as part of its centralized monitoring and management processes that are reasonably designed to address, monitor and promote compliance with the requirements of IRC Section 501(r). In an effort to be fully transparent, the filing organization has chosen to pro-actively disclose on this Form 990 this possibility of very minor and inadvertent web access interruptions that could have occurred in the normal course of migrating locally maintained hospital facility information to an improved centrally managed website. In so disclosing, the organization is not reporting that interruptions in the nature of a Section 501(r) violation in fact occurred. Rather, the organization is pro-actively disclosing that the migration process was undertaken and that, in completing that process, it is possible that brief interruptions in web access may have occurred as the hospital facility data was relocated to the central website.</p>

Schedule H, Part VI, Line 3 Patient education of eligibility for assistance	<p>Saint Thomas Hickman Hospital and Saint Thomas Health are committed to delivering effective, safe, person-centric health care to all patients regardless of their ability to pay. As a nonprofit Health System, it is our mission and privilege to play this important role in our community. Education of eligibility for assistance at Saint Thomas Hickman Hospital and Saint Thomas Health begins at registration with signage displayed at all registration points notifying patients that we have a financial assistance program, as well as contact information for the patient to use should they need assistance. Plain language summaries of the FAP containing this information are also offered to patients at all registration points. The FAP, FAP application and plain language summary are also available in multiple languages based on LEP requirements in our community. Saint Thomas Hickman Hospital and Saint Thomas Health registration associates discuss the estimated balance that will be due with both insured and self-pay patients. should the associate identify that the patient may need assistance with that balance he/she will provide the patient with a financial assistance application and help them complete it, if needed. All self-pay and underinsured patients are screened by Saint Thomas Hickman Hospital and Saint Thomas Health for alternative coverage including Medicaid, SSI/SSD, COBRA, Student Coverage, and Crime Victims' compensation. If no alternative is identified, then an associate will work with the patient to complete a financial assistance application. Also, contact information is listed on Saint Thomas Hickman Hospital and Saint Thomas Health billing statements for the patient to use in the event they need assistance with their balances. A plain language summary is also mailed 30 days in advance of an extraordinary collection activity occurring. Collections associates have been trained to offer patients a financial assistance application if needed by the patient. Saint Thomas Hickman Hospital and Saint Thomas Health works with third party collection vendors who are required to follow the hospital's financial assistance policy. A third-party vendor is also used to perform presumptive charity scoring on all accounts prior to bad debt placement to identify any accounts that may qualify presumptively for financial assistance even if a patient did not request to apply for financial assistance. a plain language summary of the financial assistance policy, fap, fap application and list of providers covered under the FAP can all be found on our website at https://healthcare.ascension.org/Financial-Assistance in all required LEP languages.</p>

Schedule H, Part V, Section B, Line 5 Facility , 1	Facility , 1 - Saint Thomas Hickman Hospital. Saint Thomas Health's commitment to Health C are That Leaves No One Behind goes well beyond delivering the highest quality care and medicine. It's a commitment to improving health both inside and outside hospital walls and within the community with special attention to the poor and vulnerable. This means working closely with each community we serve, partnering with residents, businesses, school systems , local government and other health and human service providers, to identify and address key local needs that affect the health of individuals and communities. Saint Thomas Health' s Mission, Vision and Values are the key factors influencing their approach and commitment to addressing community health needs through community benefit activities. The CHNA process included input from those with special knowledge of or expertise in public health. The partnering entities have associates with training in public health. Additionally, Hickman County Health Department was a partnering organization and participated with the design, completion and summary of the CHNA. Throughout the CHNA process, input was received from those with special knowledge of or expertise in public health. Individual interviews and the Community Health Summit included community members with special knowledge and/or expertise in public health. All interviews, surveys, secondary data analysis, and community review of findings were conducted with the goal of obtaining an assessment of health needs and assets that not only represent the broad interests of Hickman County, Tennessee but also pay special attention to the underserved, low-income and minority and vulnerable populations . This lens of special attention to at-risk populations was used in the selection of interviewees. Interviewee expertise included homelessness, low-income, at risk youth, and the uninsured. To understand the health needs and assets of the community, the CHNA process included a review of secondary health data and input from the community. Community input was obtained through interviews of community representatives and leaders, an online survey with 284 results, and a community summit to review findings and discern unmet health needs. Recommendations of the Centers for Disease Control and Prevention and the Catholic Health Association of the United States were considered in determining which health indicators to review. Review and summary of secondary data was performed in collaboration with Vanderbilt University Medical Center (VUMC). Publicly available secondary data was obtained from governmental and non-governmental agencies, foundations and organizations. In identifying the health status of Hickman County, the partnering team reviewed publicly available secondary data for the following health indicator topics: demographics and socioeconomic status, social determinants, access to health care, morbidity and mortality, birth outcomes, behavioral risk factors, health sta

Input from the community included interviews with community leaders and representatives, online community survey, and a community health summit. Seventeen (17) interviews were conducted between November 2018 and January 2019. Seventeen (17) community representatives and leaders, who represented a broad interest of the community, were identified by Hickman County Health Department, Saint Thomas Hickman Hospital and Saint Thomas Health associates. The interviewee constituency was diverse and included those with professional experience and/or ability to represent populations which are medically underserved, low-income, minority and/or with chronic disease needs. Community representatives and leaders also included those with special knowledge of and/or expertise in public health. Interviewees represented areas of healthcare services, law enforcement, education, non-profit agencies, faith communities, government representatives, safety net service providers, economic and workforce development, mental/behavioral health services, housing and homelessness, and other interest groups working with vulnerable populations. The top responses were tallied. To understand community members' opinions of health needs and assets within the county, an electronic survey was conducted and analyzed by Stratasan, a consulting qualitative research firm participating in this CHNA. The survey was open online from October 22, 2018 and closed January 14, 2019. Survey questions were designed to align with questions from the Interviews with leaders and representatives. A total of 284 online surveys were completed. Stratasan analyzed the survey responses and summarized for this CHNA. Participants were 82% Female. Education status of participants was 12% high school graduate/GED; 16% Tech or two-year degree; and 28% college graduate. Health insurance status of participants was % uninsured, 11% Medicare, and 69% private insurance. Additional information regarding the online survey process and analysis is included in the Methodology section of the CHNA. The results of the data review, community interviews, and the online community survey were presented to the community representatives and leaders at the February 6th, 2019 Hickman County Health Council meeting. The meeting attendees were representatives of the community and local leaders. A total of forty-nine (49) participated in providing collective input to prioritize the needs of the community and available resources. Schedule H, Part V, Section B, Line 11 Facility , 1	<p>Facility , 1 - SAINT THOMAS HICKMAN HOSPITAL - Part I. For the Tax Year 2018 CHNA, the results of the data review, community interviews, listening sessions and the online community survey were presented to the community representatives and leaders at the February 6th, 2019 Hickman County Health Summit meeting, which included Hickman County Health Department, and Saint Thomas Health. The meeting attendees represented covered a broad spectrum of the community, including those focusing on the underserved population. They were asked to provide collective input into the needs of the community. Stakeholders present decided upon the needs of Mental Health/Substance Abuse, Physical Inactivity/Obesity, Transportation, and Education. During the CHNA and Implementation Strategy brainstorming phase across the Ascension Tennessee ministry (7 counties), community benefit and hospital leaders agreed to a collective impact model toward addressing needs that appeared in multiple counties. This model is an effort to allocate resources in ways that can more meaningfully impact priority areas. The 4 needs chosen appeared in 5 or more of the counties surveyed. The ministry is committed to addressing Summit-specific needs within the 4 broader categories over the course of this cycle. Additionally, our Community Benefit work will utilize an equity and advocacy framework. This will ensure we are aware of how systems need to change to decrease inequities and increase equity. Effective and sustainable change is most successful when people and communities impacted by the change are included throughout the process. The tax year 2018 prioritized unmet health needs identified for Hickman County, Tennessee, by this CHNA are: 1) Access to Care 2) Mental Health 3) Obesity (Healthy Weight) 4) Substance Abuse. All priority health needs will be addressed. Prioritized Need #1: Access to Care GOAL: Improve access to comprehensive, quality healthcare services through increasing availability and affordability of care while advocating for increased health insurance coverage. Strategy 1: Grow the Dispensary of Hope Charitable Pharmacy to provide medication assistance for uninsured and underinsured individuals who experience financial hardship, as well as to assist patients with navigating other community resources as needed. Strategy 2: Provide health insurance enrollment and navigation assistance to community members who are either uninsured or need assistance navigating their current insurance. Strategy 3: Maximize use of Mobile Health Units, including breast cancer screening compliance through Our Mission in Motion Mobile Mammography. Strategy 4: Improve access to care via telemedicine consultations, including when acute stroke symptoms are present. Strategy 5: Provide resource navigation support to community members in need, recognizing how critical economic stability and social environments that promote good health are to improve an individual's and a community's health.
