Part III Statement of Program Service AccomplishmentsCheck if Schedule O contains a response or note to any line in this Part III ☒**1** Briefly describe the organization's mission:

To help people community-wide improve their quality of life

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? ☐ Yes ☒ No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? ☐ Yes ☒ No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.**4a** (Code:) (Expenses \$ 1,614,468 including grants of \$ 1,416,200) (Revenue \$)
BUILD HEALTHIER COMMUNITIES FOR ALL

Investments in health benefit the entire community, because residents who have access to quality healthcare are more productive and require fewer government services and costly long-term care. Healthy kids are more likely to succeed in school and healthy adults are more likely to maintain or gain employment. The Town of Palm Beach United Way invested \$1,416,200 into 34 programs at 19 partner agencies in Palm Beach County that are positioning 31,549 vulnerable residents to live healthy, safe and independent lives.

Medical and Dental – Many individuals do not have access to health insurance or do not have the funds to pay co-pays or for prescriptions. As a result, they are unable to maintain or improve their health status and are at-risk for long-term, serious health issues. Poor health impacts the ability to function, to attend school and to maintain or gain employment. \$314,400 was invested into 7 medical and dental programs provided by 6 partner nonprofit organizations that provided services to 11,510 patients. (cont)

4b (Code:) (Expenses \$ 1,110,588 including grants of \$ 974,200) (Revenue \$)
HELPING ADULTS ACHIEVE FINANCIAL STABILITY AND STRENGTHEN THE SAFETY NET

Investments in financial stability lift people out of poverty because income-based programs allow adults to find and maintain jobs, secure housing, pay down debt and save for the future. Adults who are financially stable are less likely to live on the streets, engage in crime and develop health problems. The Town of Palm Beach United Way invested \$974,200 into 18 programs at 13 partner agencies in Palm Beach County that are empowering 277,062 individuals and families to achieve their financial goals.

Access to Jobs and Job Skills Training – Although unemployment has gone down in the last decade, salaries and wages have not kept up with the cost of housing and daily living expenses. For this reason the main income earner in a low-income household works 2 or 3 jobs to make ends meet, and many families are borrowing heavily and relying on high cost alternatives to cover their daily living expenses. \$158,000 was invested into 3 job training programs provided by 3 nonprofit organizations that provided services to 1,775 individuals. (cont)

4c (Code:) (Expenses \$ 912,228 including grants of \$ 800,200) (Revenue \$)
IMPROVE OUR CHILDRENS' EDUCATION

Investments in education prepare the next generation to lead our families, businesses and communities. Children who have access to high-quality education from cradle to career position themselves for work that pays a sustaining wage. The Town of Palm Beach United Way invested \$800,200 into 21 programs at 16 partner agencies in Palm Beach County that are building strong education foundations for 11,371 students.

Early Learning – Children are more successful in school and throughout their lives when they have had the benefit of higher quality learning experiences in their early years.

Early childhood education programs can put children on the path toward positive development and prevent poor outcomes in adulthood. \$243,100 was invested in 3 early learning programs provided by 3 nonprofit organizations that provided services to 295 children.

Middle School Success and High School Graduation – A high school credential is a minimum requirement for higher education, post-secondary certification programs and most career opportunities. Individuals with high school credentials are more likely to participate in the workplace, earn higher wages, and access safer housing, healthier food and better medical care than their counterparts who lack high school credentials. \$113,500 was invested in 5 school programs provided by 5 nonprofit organizations that provided services to 3,899 youth. Form 990, Part III, 4a Statement of Program Accomplishments

Mental Health – Many people have mental health concerns from time to time. A mental health concern becomes a mental illness when ongoing signs and symptoms cause frequent stress and affect the ability to function. If implemented early, support and professional services for individuals with mental health concerns will alleviate the need for more extensive services for serious illness. \$211,000 was invested into 11 mental health programs provided by 5 partner nonprofit organizations that provided services to 13,857 children and adults.

Substance Abuse – Individuals engaging in substance abuse are at risk of losing their families, jobs and engaging in risky behaviors. Most people who get into and remain in treatment stop using drugs, decrease their criminal activity, and improve their occupational, social and psychological functioning. Access to appropriate treatment, intervention or on-going recovery programs is necessary to help individuals overcome substance abuse addiction or mental health issues. \$308,130 was invested into 2 substance abuse programs provided by 2 partner nonprofit organizations that provided services to 785 adolescents and adults.

Older Adults and Caregiver Support – The new generation of seniors has different expectations than previous ones. Older adults are in need of services and programs that help them maintain independent living and/or increased or sustained financial security. Caregivers of family members are in need of services that provide them support and help maintain a stable environment for their loved ones. \$132,200 was invested into 4 senior programs provided by 2 partner nonprofit organizations that provided services to 3,825 seniors.

Disabilities and Special Needs – After age 21, young adults with disabilities “age out” of the services and supports provided through the school system. Individuals with disabilities and special needs and family caregivers are in need of services and programs that help them maintain independent living, financial security and a stable environment. \$450,470 was invested into 9 special needs programs provided by 4 partner nonprofit organizations that provided services to 1,547 children and adults.

Form 990, Part III, 4b Statement of Program Accomplishments

Financial Education and Community Based Support – The growth of low-skilled jobs is projected to outpace that of medium and high-skilled jobs into the next decade. At the same time, the cost of basic household necessities continues to rise. The result is that 40% of working families in our community cannot afford to make ends meet and are one emergency away from falling into crisis. Many individuals and families do not know where to turn and what services are available to them when hit with crisis. \$232,500 was invested into 4 financial programs provided by 3 local nonprofit organizations that provided services to 52,135 individuals.

Food Assistance – Food insecurity is the limited or uncertain availability of nutritionally adequate food for an active, healthy lifestyle. In Palm Beach County nearly 200,000 people are food insecure, including more than 50,000 children. Hunger can have a negative impact on child development, educational achievement and mental and physical health. \$160,000 was invested in 3 food programs provided by 4 nonprofit organizations that provided services to 212,662 individuals.

Housing Support and Emergency Shelter – Individuals and families often live on the edge between low-income and becoming homeless. They may find themselves in need of emergency shelter for a variety of complex economic and social reasons. Emergency shelters are an essential component of homeless services and are often the first place to turn. \$219,700 was invested in 5 housing programs provided by 3 nonprofit organizations that provided services to 1,905 individuals.

Domestic Violence – Domestic violence is the willful intimidation, physical assault, battery, sexual assault and/or other abusive behavior perpetrated by an intimate partner against another. It affects individuals in every community, regardless of age, economic status, race, religion, nationality or educational background. \$204,000 was invested in 3 domestic violence programs provided by 2 nonprofit organizations that provided services to 8,585 children and adults.

Form 990, Part III, 4c Statement of Program Accomplishments

Afterschool and Summer Camp – Afterschool and summer programs provide a safe, enriching environment for children during out of school hours, when parents are working and kids are most vulnerable to at-risk behaviors. Students who have access to high quality, enriching out of school programs perform better in the classroom. \$374,600 was invested in 9 afterschool programs provided by 7 nonprofit organizations that provided services to 6,762 children and youth.

Adults, Parents and Mentors – Parents are children's first teachers. Adult learners provide essential literacy and parenting skills that help children succeed in school, provide a nurturing family environment, and allow them to qualify for jobs that pay a family-sustaining wage. Young people with mentors are more likely to graduate from high school, less likely to begin using drugs or alcohol, and less likely to receive food stamps and welfare. \$149,000 was invested in 4 mentor programs provided by 4 nonprofit organizations that provided services to 415 children and adults.
