Facts And Circumstances Test

FACTS AND CIRCUMSTANCES explanationPalm Healthcare Foundation's public support for fiscal year ended June 30, 2019 was 31 27% The following facts and circumstances support the public charity status of the Foundation for four main reasons 1) the Foundation's original corpus was funded substantially from broad public sources, and the investment income that impacts the public support percentage (Schedule A, Section C, Line 14) substantially comes from that original public support, 2) the Foundation has always operated a comprehensive fund development program which solicits a broad range of public donors in a number of ways, which includes major giving, annual giving, planned giving, grant-writing, special events and on-line giving, 3) the Foundation's 17-member board of trustees and its seven (7) committees are made up of community members from a variety of geographic locations, industries, ethnic and religious backgrounds and socio-economic levels, representing Palm Beach County as a whole, and 4) the Foundation continues to receive legacy planned giving donations from the public that may be very material, but are unpredictable 1) Palm Healthcare Foundation, a hospital conversion foundation, was created in July 2001 as the successor to the Good Samaritan Medical Center Foundation and St Mary's Hospital Foundation when the two not-for-profit hospitals were sold to a for-profit entity The funds in the hospital foundations, donated from a wide range of public sources including individual donors, other foundations and corporations, formed the original corpus of Palm Healthcare Foundation At the end of Palm Healthcare Foundation's first fiscal year, the Foundation held \$64 million in an investment portfolio for the purposes of supporting the healthcare needs of Palm Beach County residents From the beginning, the Foundation solicited the public at large for donations to supplement the corpus Public donations and investment return had allowed Palm Healthcare Foundation to grant more than \$81 million 2) Since its inception, Palm Healthcare Foundation has maintained a continuous program for solicitation of funds from the general public, community and local sponsors The Foundation employs a senior-level fund development executive who manages a comprehensive solicitation program, including a Three annual direct mail pieces are sent to thousands of community members b An annual giving program, which was supported by 100% of the Foundation's trustees this fiscal year c A yearly nursing appreciation reception with sponsorship opportunities d Corporate support to advance brain health, physical fitness, nutrition, and nursing advancement e Memorial and tribute giving opportunities f Multiple ways to give on-line at www.palmhealthfoundation.org g Fundraising ads are placed in the local media outlets including newspaper, radio and event program books h Annual reports with donors' stories and ways to give i Fund development training for trustees, as well as focus groups, cultivation activities and community events to which trustees bring potential donors j Submit several grant applications to local, state and national granting making organizations This fiscal year, 28 different sources donated \$5,000 or more for a total of \$1,989,506 Total contributions and grants equaled more than \$2,100,000 this past year These donors represent individuals, other foundations, corporations and other organizations from across Palm Beach County 3) Palm Healthcare Foundation's board of trustees consists of a strong, diverse governing body which represents the broad healthcare interests of the residents of Palm Beach County Trustees represent the following sectors of the community a Health Department (government) b For-profit hospital c Local private physician practices d Nursing e Medical education f Corporations g Small businesses h Legal field i Financial industry j Banking k Not-for-profit healthcare planning organization l Law enforcement m Retired In addition, Palm Healthcare Foundation owns and operates the Mollie Wilmot Children's Center at the Palm Healthcare Pavilion on the campus of St Mary's Medical Center Thirty-two percent of the office space is provided free of charge to three unrelated not-for-profit organizations as part of the organization's mission to promote healthcare The three not-for-profit organizations provide services directly for the benefit of the general public The fair market value of the in-kind rent for the current fiscal year was over \$250,000 4) The Foundation continues to receive planned giving bequests which originated from its history of being the successor of a prior not-for-profit hospital foundation The Foundation has no way of predicting the amount of funds to be received by future donees or bequests In light of the history of Palm Healthcare Foundation's public support origins and the ongoing commitment to soliciting public support to improve the health and well-being of residents of Palm Beach County, Palm Healthcare Foundation meets the facts and circumstances of the public support test

Supplemental Information

Return Reference	Explanation
Part X, Line 2	The Internal Revenue Service has determined that the Foundation is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. However, income from certain activities not directly related to the Foundation's tax-exempt purpose is subject to taxation as unrelated business income. There was no unrelated business income during the year ended June 30, 2019. The Foundation follows FASB ASC Topic 740-10, Accounting for Uncertainty in Income Taxes. This standard seeks to reduce the diversity in practice associated with certain aspects of measurement and recognition in accounting for income taxes. It prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position that an entity takes or expects to take in a tax return. An entity may only recognize or continue to recognize tax positions that meet a "more likely than not" threshold. The Foundation assesses its income tax positions based on management's evaluation of the facts, circumstances, and information available at the reporting date. The Foundation uses the prescribed "more likely than not" threshold when making its assessment. The Foundation did not record any adjustment and did not accrue any interest expense or penalties related to tax positions. There are currently no open federal or state tax years under audit.
