Return Reference	Explanation
Part X, Line 2	The Organization is a not-for-profit organization as described in Section 501 (c) (3) of the Internal Revenue Code and is exempt from federal income taxes pursuant to Section 501 (c) (3) of the code. Accordingly, no provision for income taxes has been included in the accompanying financial statements. Accounting principles generally accepted in the United States of America require the Organization to evaluate tax positions taken by the Organization and recognize a tax liability (or asset) if the Organization has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Organization has analyzed the tax positions taken, and has concluded that as of June 30, 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Organization will recognize future accrued interest and penalties related to unrecognized tax benefits in income tax expense if incurred. The Organization is no longer subject to federal and state tax examinations by tax authorities for years before fiscal year ended 2016.
