In accordance with the requirements of ASC 740, Laureate Psychiatric Clinic and Hospital, Inc. identifies and documents uncertain tax positions for all open tax years. If uncertain tax positions are identified, they are analyzed to determine the proper unit of account. Next, they are tested to determine whether a tax asset or a tax liability should be recognized. Laureate Psychiatric Clinic and Hospital, Inc. has determined that the position on uncertain tax positions is more likely than not to be fully sustained upon examination. Therefore, no liability or asset for uncertain tax positions needs to be recorded. The Tax Cuts and Jobs Act (the Act) was enacted on December 22, 2017. The provisions of the Act do not have a material effect on the Laureate Psychiatric Clinic and Hospital, Inc.'s financial statements. Certain regulatory guidance provides for a measurement period of up to one year during which accounting for the tax effects of the Act may be completed. Laureate Psychiatric Clinic and Hospital, Inc. will continue to evaluate the impact of the Act and may record adjustments as additional information and guidance is released by the Internal Revenue Service.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part I, Line 7	Costing Methodology: A ratio of patient care cost to charges, as determined in Worksheet 2, was used to report the amounts in Part I, Lines 7a - 7c. For amounts reported on lines 7e - 7i, actual expenses for each community benefit activity are tracked and reported using the organization's accounting general ledger and are not based on a cost to charge ratio. The number reflected on line 7, column (f) excludes bad debt expense. The supplemental hospital offset payment program (SHOPP) was created and implemented in calendar year 2011 for the purpose of assuring access to quality care for Oklahoma Medicaid members. The program is designed to assess Oklahoma hospitals, unless exempt, a supplemental hospital offset payment program fee. The collected fees are placed in pools and then allocated to hospitals based on Medicaid revenues as directed by legislation. The Oklahoma Health Care Authority (OHCA) does not guarantee each allocation will equal or exceed the amount of the supplemental hospital offset payment program fees that were paid by Laureate Psychiatric Clinic and Hospital, Inc. Part II: Community Building Activities Community building activities improve the community's health and safety by addressing the root cause of health problems. These activities strengthen the community's capacity to promote the health and well-being of its residents by offering the expertise and resources of the healthcare organization. Costs for these activities include cash donations and expenses for the development of a variety of community-building programs and partnerships. See Schedule O for additional information regarding Saint Francis Health System, Inc.'s and Laureate Psychiatric Clinic and Hospital, Inc.'s community building activities aimed at promoting the health of the community.
Part III, Section A, Line 2	Laureate Psychiatric Clinic and Hospital, Inc. has an established process to determine the adequacy of the allowance for uncollectable receivables that relies on a number of analytical tools and benchmarks to arrive at a reasonable allowance. No single statistic or measurement determines the adequacy of the allowance for uncollectable receivables. Some of the analytical tools that Laureate Psychiatric Clinic and Hospital, Inc. utilizes include, but are not limited to, historical cash collection experience, revenue trends by payer classification, and revenue days in accounts receivable. Accounts receivable are written off after collection efforts have been followed in accordance with Laureate Psychiatric Clinic and Hospital, Inc.'s policies. Part III, Section A, Line 3 The bad debt expense attributable to patients eligible under the organization's financial assistance policy is calculated from a sample review of all bad debt accounts and subsequent information.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part III, Section A, Line 4	Laureate Psychiatric Clinic and Hospital, Inc.'s reviewed financial statements provide a separate footnote addressing the organization's net patient accounts receivable on pages 5, 6 and 7. Laureate Psychiatric Clinic and Hospital, Inc. reports bad debt in accordance with Generally Accepted Accounting Principles (GAAP). Healthcare Financial Management Associate Statement 15 is followed to the extent that the provision for bad debt at cost is determined using the same cost to charge ratio that is used to calculate charity care and Medicaid shortfalls. Discounts and allowances are accounted for separately from the provision for bad debt. Accounts receivable are valued at net realizable value. Laureate Psychiatric Clinic and Hospital, Inc. estimates the allowances for uncollectable receivables based on historic write-offs.
Part III, Section B, Line 8	Costing Methodology: Medicare allowable costs are calculated using a cost-to-charge ratio and the Medicare filed cost report. The shortfall on Schedule H, Part III, Section B, Line 7 is considered community benefit. Laureate Psychiatric Clinic and Hospital, Inc. provides services to many low-income Medicare recipients. The Medicare losses sustained at the hospital are a result of Medicare reimbursing at less than operating costs. The Supplemental Hospital Offset Payment Program (SHOPP) was created and implemented in calendar year 2011 for the purpose of assuring access to quality care for Oklahoma Medicaid members. The program is designed to assess Oklahoma hospitals, unless exempt, a Supplemental Hospital Offset Program fee. The collected fees are placed in pools and then allocated to hospitals based on Medicaid revenues as directed by legislation. The Oklahoma Health Care Authority (OHCA) does not guarantee that allocation will equal or exceed the amount of the Supplemental Hospital Offset Payment Program fees that were paid by Laureate Psychiatric Clinic and Hospital, Inc. IRS Rev. Rul. 69-545 established the community benefit standard for hospitals and considers a hospital that serves patients covered by governmental health benefits (including Medicare) as operating to promote the health of the community and furtherance of its exempt purposes. Accordingly, treating Medicare patients is considered a community benefit.

990 Schedule H, Supplemental Information
