Accordingly, no provision for income taxes has been made related to the Foundation. However, should the Foundation engage in activities unrelated to the purpose for which it was created, taxable income could result. The Foundation has not incurred any federal income tax for the year ended June 30, 2019. GAAP requires the evaluation of tax positions taken in the course of preparing the Foundations tax return and recognition of a tax liability (or asset) if the Foundation has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the Foundation and has concluded as of June 30, 2019, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.</p>
