Pt V Sec D Ln 8: The activities of the Trust are limited to the trustees making distributions of principal and income of the Trust to the University of Southern California, exclusively for the benefit of the Annenberg School. Distributions to the University of Southern California were made during the Trust's Taxable year in the amount of \$5,799,909.

Pt IV Sec D Ln 3: Although the fact that the Dean of the Annenberg School is a Trustee of the Trust is one factor that indicates that the University of Southern California has a significant voice in the operation of the Trust, there are other factors that combine to establish that the University has a significant voice in the operations of the Trust, including (i) regular meetings between the Trustees and the Annenberg School at the University of Southern California, (ii) the fact that the University maintains investment control over the Trust assets pursuant to an investment agreement between the Trust and the University, and (iii) the Trustees otherwise always being responsive to the needs and demands of the Annenberg School throughout the year. Considering the above-described factors, the IRS determined (in the Determination Letter dated February 7, 2011) that the Trust is considered to be a non-functionally integrated Type III supporting organization under Section 509(a)(3) of the Code and that the significant voice test is satisfied with respect to the University's activities in relation to the Trust.
